- AP English Literature Composition
- Honors Pre-Calculus-Trigonometry
- Human Anatomy & Physiology
- Intro. To Engineering

(Revised March, 2019)

The BLANCHET CATHOLIC SCHOOL GRADUATION PLAN is to assist students and parents to plan what courses they will consider to take in high school. It is also a useful tool to track what course requirements are needed in order to graduate at Blanchet Catholic School. We plan to offer the courses on the BLANCHET CATHOLIC SCHOOL GRADUATION PLAN for next year. However, some courses may not be offered due to the lack of number of students forecasting for electives.

We plan to start forecasting in the near future. Students should review the course catalog to read the course descriptions and, in some cases, course prerequisites. Many of the honors courses and advanced placement courses will have prerequisites and require a teacher recommendation.

Please understand that we work very hard to offer courses that will prepare our students for college as well as courses that will educate both the heart and the mind. Please review the BLANCHET CATHOLIC SCHOOL GRADUATION PLAN and feel free to contact us if you have any questions.
