HALL OF FAME**

Hall of Fame Induction Criteria: To be inducted into the Science Olympiad Hall of Fame, the inductee must be a Blanchet Catholic High School Graduate, had earned medals in two separate years of competition, and have earned a minimum of 9 quality points.

Determination of quality points: 1st place medal = 5 points, 2nd place medal = 3 points, and 3rd place medal = 1 point. Multiply each medal earned by the prescribed quality points and then add all of the points together for the total quality points earned during the competitor's career on the Blanchet Science Olympiad Team.
