

3D Printer Practicum—Middle/High School

\$150 July 30 - August 2 9:00 a.m. - 11:30 a.m.

Registration Deadline: July 29, 2018

For students entering grades 6 - 12 in fall 2018

Teacher: Robin Smith

No knowledge of computers required

Students will get the chance to work with software and design their own items to 3d print. Students will work at creating items that can be used for everyday use.

Build-a-Computer—Middle/High School

\$150 July 30 - August 2 1:00 p.m. - 3:30 p.m.

Registration Deadline: July 29, 2018

For students entering grades 6 - 12 in fall 2018

Teacher: Robin Smith

No knowledge of computers required

Students will learn about the different parts of a computer, practice its assembly, and be given a chance to create their own computer they can take home (at additional cost of components), please contact Robin Smith if you have any questions.

Math Tutorials (MH Math I, MH Math II, Pre-Algebra, & Pre-Algebra I)—Grades 6—9

Option 1. August 6-10: 8:30 a.m. to 10:00 a.m. \$100

Option 2. August 6-10: 10:15 a.m. to 11:45 a.m. \$100

Registration Deadline: August 5, 2018

Option 3. August 13-17: 8:30 a.m. to 10:00 a.m. \$100

Option 4. August 13-17: 10:15 a.m. to 11:45 a.m. \$100

Registration Deadline: August 12, 2018

For students entering grades 6 - 9 in fall of 2018

Teacher: Carlton Wise

These tutorial sessions are open to students interested in strengthening their skills in mid high math, pre-algebra, or algebra. Students will review concepts in their math area and be introduced to new concepts for the upcoming school year. The goal is to master the basic concepts and introduce newer and more rigorous concepts of the math course the student plans to take in the upcoming school year.

Algebra 1 Review

\$300 M-F August 6 - 17 1:00 p.m. – 3:00 p.m.

Registration Deadline: August 5, 2018

Teachers: Stephanie Razmus & Carlton Wise

For students entering grades 9 - 12 in fall 2018

Prerequisite: Students must have previously taken Algebra 1 at Blanchet Catholic. Students who have not taken Algebra 1 may take the course without credit.

Teachers: Stephanie Razmus and Carlton Wise

This course is designed to strengthen weak algebra skills, ensure a transition into Geometry and Algebra 2, and improve low Algebra 1 grade. Students will be required to work outside of class time to meet the requirements of the course. Attendance is mandatory and does impact the student's grade. This course is for credit recovery or review only. Students can earn 1.0 Blanchet Catholic credit for successfully completing the course (for credit recovery only).

Preparation for Honors Algebra 2/Algebra 2

\$100 August 20 - 24 8:30 a.m. - 10:00 a.m.

Registration Deadline: August 19, 2018

For students entering grades 9 - 12 in fall 2018

Teacher: Harry Ahn

This course is a refresher for students transitioning from Algebra 1 or Geometry into Honors Algebra 2 or Algebra 2.

Refresh your algebra skills!

Preparation for Honors PreCalc

\$100 August 20 - 24 10:10 a.m. - 11:40 a.m.

Registration Deadline: August 19, 2018

For students entering grades 9 - 12 in fall 2018

Teacher: Harry Ahn

This course is designed for students who are transitioning from Honors Algebra 2 into Honors PreCalc. This will include a preview of the first two chapters of the four chapters covered in the first semester of Honors PreCalc.

SAT Prep—High School

\$280 August 2, 9, 16, 23 and September 1, 8, 15, 22

August 2 - 5:00 p.m. to 8:30 p.m. (practice exam)

August 9, 16, 23 - 5:00 p.m. to 7:00 p.m.

Sept. 1, 8, 15 - 9:00 a.m. to 11:00 a.m.

Sept. 22 - 8:30 a.m. to 12:00 p.m. (final practice exam)

Registration Deadline: August 1, 2018

Teachers: Stephanie Razmus and Kasey Roberts

This course will prepare students for both sections of the PSAT/SAT. Practice tests will be done and examined for errors. Students will learn test-taking strategies specific to the PSAT/SAT. This course includes ALL of the dates
