

BLANCHET CATHOLIC SCHOOL

Golf & Tennis Athletic Transportation Method

Name of Student Athlete: _____ DOB: _____

Name of Parent(s) _____

Sport: _____ Practice Location: _____

In order to offer certain off-site athletic programs it is necessary for parents to provide transportation plans for their students when the school can not do so. Typical examples of this are golf and tennis which hold practices off-site. In order for students to become a member of these teams they and their parents must be able to arrange their own transportation to and from practices. *Transportation is provided for golf and tennis when it comes to tournaments/matches.

This notice of transportation method must be signed by a parent/guardian and returned to the head coach before participation is allowed. Your coach will retain this form in their team binder.

Please check the box that explains how your child will get to practice.

- I will drive my child to practice
- My child will drive themselves to practice
- My child will drive with a teammates parent
- My child will be driven by a teammate (not recommended)
- Other (specify)

Parent/Guardian Signature _____ Date: _____
