Our Outdoor School adventure begins at Blanchet Catholic School on Monday morning at 8:15. At that time, students will drop off their gear in the Lee Student Center and complete a supplies check-in. After all the gear is checked in, the group will take part in a prayer service and enjoy a continental breakfast. Parents are invited to attend these activities, which will last from 8:15 - 10:00. After breakfast, the parents will leave so the group can finish up some retreat activities and prepare for departure.

Students will load the bus at the conclusion of the morning group activities. The bus will stop for lunch at Sweet Tomatoes restaurant in Clackamas. There is no cost for lunch. The lunch options will include: pasta, pizza, salad, soup and dessert.

Students are expected to be back at Blanchet Catholic School from Outdoor School by 3:00 PM.

J qy 'b wej 'f qgu'lw'eqwA There is no additional cost for Outdoor School.

Y j cv'ij lni'ij g'lwff gpw'dg'f qipi A Students will complete curriculum enhancing activities. They will practice orienteering, take staff guided hikes through the forest, and participate in team-building activities. Evening campfires provide time for camp songs and skits, and a retreat helps students ponder their role as one of God's children charged with taking care of God's Creation. On any particular day, the schedule varies, but the following is a sample schedule:

8:00	Breakfast and clean up	12:15	Instructions/Prep	5:00	Cabin Time, Rest/Shower/BOB
8:45	Instructions/Prep	12:30	Break	6:30	Dinner

Students will be allowed to contact a parent with a staff phone if it becomes necessary. Parents are asked to contact the school personnel only in cases of an emergency. Part of the experience is to spend time away from day-to-day distractions and bond as a class.

Y lni'ki geg'kg'wrf cvgu'y j kg'b { 'ej kf 'kr'lv'eco rA Individual updates will not be provided unless there is an emergency or severe illness/injury. The staff plans a full activity schedule as a way to help prevent homesickness. Students with high anxiety or known to be homesick will be noted and carefully monitored by a specific staff member so the student will have a safety net should issues arise. If a situation arises where a child is struggling with homesickness we will work with them to alleviate their concerns and contact parents if necessary.

Y j cv'y lntvj g'lwff gpw'pbgf 'vq'ltlpi ABlanchet Catholic School has provided a supply list that has been posted online and is also included in this information packet. Please check the supply list very carefully and start collecting these items. Unless an item is listed as “optional” the student needs to bring the item with them to Camp Howard. If you are having a hard time procuring an item, please let Mrs. Armstrong know no later than November 1st."

Y j cv'hlk'tclpu'qt 'lpqy u'y j kg'vj g' 'etg'cv'eco rABlanchet Outdoor School is held in November and Camp Howard is about 1000 feet above sea level. The supply list contains items with the assumption that is it likely the students will encounter rain and/or snow, while they are outside for their daily lessons. However, the cabins and eating/gathering areas are heated so night time should be comfortable. Even if your items are “waterproof” please use a waterproofing spray to treat rain gear before Outdoor School. These products can be purchased for a few dollars at Fred Meyers, Target and similar stores.

Ctg'vj gtg'j gcv'tpf 'hi j vulp'vj g'ecdipAYes, all cabins have electric heaters and lights. There is also a night light in each cabin. However, if you are scared to sleep in a strange place, bring a few glow sticks to keep in your sleeping bag at night."

J qy 'b cp{ 'lwff gpw'v'pf 'cf wnu'tgt 'ecdipABlanchet will have two large cabins - one girls' cabin and one boys' cabin. There will be two Blanchet adult chaperones per cabin. Each individual has their own bunk bed.

Y j q'ctg'vj g'eqwpugntu'v'pf 'y j cv'ku'vj g't'qrgAIn addition to Blanchet and Valley Catholic staff members, several Valley Catholic High School students will be acting as camp counselors. The high school students will help with activities such as the science rotations, skit preparation, and cabin activities.

Ecp'lwff gpw'vcng'lj qy gt uAStudents may choose to shower during the afternoon activity/rest time as well as in special cases per staff discretion. However, students will not be required to shower and may, in fact, go the entire four days without one unless a health concern arises (falling into a stagnant pond, for example).

Y j cv'ctg'vj g'lj qy gt u'hlngA The showers are individual stalls with plastic curtain dividers between each stall. The dressing areas are open, but there is space to get dried and dressed within the stall itself – it will just be a bit wet. Also, the shower room is heated.

Ecp'Khtlpi 'e'j ckt'ft'gtA Electronic devices – such as hair dryers – are not allowed at Outdoor School. For this reason, we strongly suggest students do not wash their hair while at Outdoor School (a side bonus is that critters such as lice do not like dirty hair). If a student must wash it, know that it will be evening and likely cold. Ensure your child brings a hat so that wet heads are not exposed to the night air.

Y j cv'hlKj cxg'hqf 'cngti lguA Qpif 'lwff gpw'y kj 'fki pquf 'lqqf 'cngti lgu'b c' 'r'cem'eff'k'qpc'nl'qqf O'Vj k'hp'emf'gu' 'up'cemu'ecpf'f.'epf'ej gy lpi 'i wo O'Students with food allergies should complete the food allergy section of the Health Form. If the student must pack his/her own special food, including snacks and drinks, it must be checked in like medication and will be stored in the dining hall. Students MAY NOT have extra food in the cabins.

Microwave ovens and a refrigerator are available for students with diagnosed food allergies. For those with non-life threatening allergies, the kitchen staff does its best to accommodate such allergies as Gluten and Dairy free options, as well as offering a vegetarian choice for each meal. However, the kitchen is not set up to be truly allergen free. In addition, we will provide snacks that may contain nuts.

Y j cv'hlb { 'ej kf 'ku'c'xgi gwct'kcpAVegetarian options are provided at each meal. Being a vegetarian is not considered an allergy, so your child does not need to list this on the Health Form unless there is an allergy to meat/seafood products.

Y j cv'hlb { 'ej kf 'ku'p'qv'lggipi 'y gntj j kg'cv'Qwf qqt 'Uej qqnA'There is a certified first aid person acting as the Outdoor School medic 24 hours a day. Depending on the situation, the Outdoor School medic will assess a child's symptoms and make a recommendation for parents to come pick up their child or the medic will treat the child at camp. The first aid station will be

Code of Conduct

Blanchet Catholic School's Outdoor School is designed to inspire exploration of the natural world, responsible stewardship of our habitat and dedication to community. Blanchet Catholic School handbook will act as the foundation for the code of conduct expected by Blanchet students while at Outdoor School. In addition, the following rules apply while at Outdoor School.

Any participant who violates the code of conduct for Blanchet or the Outdoor School program is subject to discipline, up to and including removal from the program.

I gpgt cil'

- Safety first. Unsafe behavior is prohibited. Listen and follow instructions.
- Respect your teachers, chaperones, fellow students, and the Camp Howard staff at all times.
- Keep your hands to yourself. Do not touch or push other students.
- Closed toed shoes must be worn at all times except for shower or other approved times.
- Appropriate clothing must be worn at all times. Staff and chaperones will help direct students in choosing appropriate clothing.
- Use the buddy system at all times. NEVER go to a location or stay at a location by yourself.
- Rude language, profanity, and bad comments are not allowed.
- Outdoor School is a Gossip Free Zone and gossip or mean spirited conversations will not be tolerated.
- Be a team player - get along with your classmates and accept all assigned partners or groups.
- Possession of gum or food in the cabin area is strictly prohibited.

..

Qwulf g'vlo g''

- Stay on trails at all times.
- Unless specifically told to do so by a teacher or chaperone as part of an activity, do not touch leaves or plants, animals (alive or dead) or insects.
- Do not throw anything such as rocks, sticks, pinecones, etc.

..

O gcn'vlo g''

- Meals begin with a prayer. Wait for Mrs. Armstrong or another staff member to lead the group.
- When campers are dismissed to get food, campers must wait their turn.
- Campers should not comment on the camp food in a negative way while in front of the cooks - Do not criticize the food while in the food line or cafeteria area.
- Be grateful when you receive the meal: be polite and say "please" and thank you."
- Chew with your mouth closed, do not talk with food in your mouth, and use a napkin.

Campers are expected to leave the sink, toilet, and shower stall better than they were prior to use. Campers must clean up after themselves. This includes cleaning leftover toothpaste from the sink, wiping down the extra water on a sink once finished, picking up your own strands of hair, etc. Hair dryers and other electric items are not allowed and will not be used while at Outdoor School. No camper may use the restroom alone. Someone must accompany the camper at all times but an adult may wait outside the restroom building.

Ecdlpu'

Cabins are shared space. All personal items must be kept and stored on the camper's bunk and assigned area.

Boots are to be left outside on the tarp so as to limit the mud in the cabin area.

Cabins are to be swept at least once daily.

Campers may not use the electrical plugs in the cabin without specific permission from the staff. (Electronics are not allowed so there should be no reason to need a plug.)

Cevkls' Ercu'Vlo g'

Work hard to improve your knowledge.

Campers must be on time for all activities.

Listen, ask questions, and watch others to see how you can improve your knowledge.

Campers must come prepared with the appropriate supplies.

Campers need to give their attention to the leader.

Campers must complete all assigned work when it is assigned (activities build on each other)

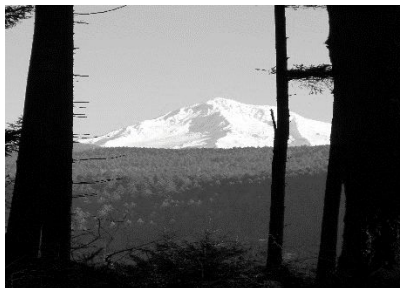

Take turns with all the different jobs during the science rotations and group leadership time.

O qt g'Ugt kqu'Qhgpugu'

The possession of alcohol, tobacco, and illegal substances at any time will result in immediate expulsion from the program.

No weapons, knives, or sharp objects of any kind are permitted, including pocket knives. This also includes dangerous or unauthorized materials as determined by staff.

Bullying or taking unfair advantage of any participant, staff member or volunteer will be subject to discipline, up to and including removal from the program.
