January 8, 2009

Dear 7th Grade Student/Parent:

As the first semester of the 2008-2009 school year comes to a close, it is necessary for all seventh graders to choose an elective for the second semester, which begins Monday, January 26.

The elective the student chooses will take the place of the 7th-grade elective course they have taken during the first semester. This course included six-week units in keyboarding, choir, and study skills. The grade on their semester report card will be an average of the grades from these three units.

The choices for electives for second semester are listed below. Students are asked to list their first three choices for electives. I will attempt to give all students their first choice for an elective but sometimes it is not possible. Selecting alternate choices for electives will help make the process work smoother.

Please complete the bottom portion of this page and return it to Mr. Weber or Mrs. Estes by Wednesday, January 15 at the very latest. Certain electives will fill up quickly and seats will be given to those who turn their sheets in first.

If you have any questions about this please contact me at 503-391-2639.

Sincerely,

Robert Weber
Principal
