Homework for Mr. Weber's English class for Feb. 1-4

February 1: The students worked on their vocabulary from the AQWF book. They have a list of 20 words for this week's vocabulary list. We will have a quiz on these words this Thursday. Their homework tonight was a crossword puzzle on vocabulary and AQWF. It is due on Tuesday.

February 2: We are talking about advertising. Typically, I use the week of the Super Bowl to talk about advertising. As a class we look at why companies advertise, how they advertise, and how that impacts each of us. It is usually an interesting topic that kids enjoy. On Monday, we will watch a handful of the ads from the Super Bowl and discuss them. Their homework tonight is to make sure they have read through Ch. 4 in AQWF by tomorrow.

February 3: We will take a quiz over Ch. 4 of AQWF and discuss the chapter. In addition, we will review the vocabulary words for the Thursday quiz. Their homework is to make sure they are ready for the vocabulary quiz on Thursday.

February 4: We will take the vocabulary quiz and then do some additional work on advertising.
