- **Overview:** During the first three months of the second semester the 9th grade English classes will be covering three main units:
 - Poetry
 - Mythology

- o Novel – All Quiet on the Western Front

Each of these units will take about one month for completion. The classes will rotate during the semester. Our class will start with the novel in January

- **AQWF:** We will begin reading this novel today. Students will have reading assignments 3-4 nights a week for the upcoming month. A typical reading assignment is about 20 pages. We will have reading quizzes on a regular basis.
- **Vocabulary:** The vocabulary for 2nd semester will come from a variety of sources. For these three major units, our vocabulary will not come from our vocabulary book. Instead, the vocabulary will come from the novel, poetry, and mythology assignments. We will still do vocabulary on a weekly basis but not out of the vocabulary book for now.

This week's homework

AQWF:

- read Ch. 1 (by Wed)
- read Ch. 2 (by Thur)
