

Honors, Advanced Placement (AP), & Dual Credit (CCN - College Credit Now)

Our Honors, AP and CCN courses allow students the opportunity to take the most rigorous courses available at Blanchet in preparation for collegiate studies. These courses are available to all of our high school students.

Blanchet partners with the Oregon Institute of Technology and Chemeketa Community College to offer courses taught at Blanchet by teachers certified with a Masters or higher degree in each subject area. Credits earned from these courses will transfer to most 4-year colleges and universities.

Advanced Placement (AP)

The AP curriculum, administered by The College Board, consists of standardized high school courses that are roughly equivalent to undergraduate college courses. After completing an AP class, students have the opportunity to take the AP exam in that subject, which can earn them credits and accelerated placement in college.

COURSES

- AP Biology
- AP Calculus
- AP English Literature
- AP English Language Composition
- AP Government
- AP Physics
- AP Statistics
- AP US History
- AP Spanish Language & Culture
- AP Spanish Literature

Dual Credit (College Credit Now)

Below is a list of College Credit Now courses offered at Blanchet. In parenthesis are the number of possible credits available through these colleges. There is a minimal fee that is paid to the colleges offering these courses.

Why Should I Consider Taking These Courses?

Honors, Advanced Placement and Dual Credit courses are more rigorous and in-depth. They are designed for students who want and can handle a challenge. These courses can boost your GPA and prepare you for the transition to college. Excelling in these classes shows colleges you are ready to succeed at college-level work and can help you get a jump start in earning college credits.

What Students Are Saying...

My AP, Honors, and Dual Credit classes have challenged me and helped to prepare me for college. They also have made earning college credits more economical and accessible.

- Andrew Hill Class of 2020

My teachers helped to raise the bar academically in my AP, Honors, and Dual Credit classes. They love the subjects they teach and are very knowledgeable. I feel like I am very prepared for college.

- James Moore Class of 2020

- CCN Writing 121

Ms. Alena Wilbur

- Honors English 9
- Honors English 10
- AP English Composition

Mrs. Danielle Wise

- OIT Dual Credit Anatomy and Physiology

Honors, Advanced Placement, Dual Credit Course Eligibility

To be eligible for an honors class, a student should have: At least a B average in the subject of the honors course. Students who meet the grade requirement in the subject will be invited to register for the class. Any students who do not meet the grade requirement but are still interested in registering for the class must speak with the teacher of the honors class for permission. Students may be asked to take a placement test to determine ability and chances for success in the program. Administration, in consultation with the teacher of the class, will make final decisions on student enrollment in accelerated courses.
