

# BLANCHET CATHOLIC SCHOOL

## 8th Grade Forecasting Sheet to 9th Grade

Due: April 10

### Forecasting Notes & Information

**Electives:**

Freshman schedules allows them to choose between two courses to meet foreign language requirements— American Sign Language or Spanish. In order for a freshman to incorporate an additional elective they must choose from one of our early bird classes. Once we have finished forecasting and assigned teachers to certain classes, it is very difficult to make schedule changes. Students are choosing courses for the entire year.

Blanchet is anticipating offering the elective courses listed. ***If an insufficient number of students forecast for an elective course, the course may be dropped.*** In this case, or when classes are full, we will look to the alternate courses on the forecasting sheet to complete a student's schedule. Students must list alternative choices to help ensure that they receive the best possible schedule.

**English:**

Students who wish to apply to Honors & AP English courses will ask for the application from their current English teacher.

**Math & Science:**

Students are required to have 3 credits of Math and Science for graduation. Teacher recommendation and a student's performance in eighth grade Math and Science will determine class placement.

**PE:**

All students will take P.E. and Health 1 their freshman year. In order to complete their PE Graduation requirement they can take a P.E. elective or earn a varsity sport letter and apply for a credit waiver any year before graduating.

**Graduation Requirements:**

It is important that parents and students check the graduation requirements when choosing high school courses. The Course Catalog and information regarding graduation requirements are available online at [www.blanchetcatholicschool.com](http://www.blanchetcatholicschool.com).

**Deadlines:**

Forecasting forms must be signed and turned in to the main office no later than **April 10**. Unsigned forms or forms turned in late may jeopardize a student's ability to get their first choice course selections.

If you have questions about forecasting, please email Mr. Wise at [carltonwise@blanchetcatholicschool.com](mailto:carltonwise@blanchetcatholicschool.com).
