Mrs. Linda Herrera
AP Spanish Language & Culture

Mr. Robert Krause
AP Computer Science

Dr. Scott Meyer
Honors Chemistry
Honors Physical Science

Mrs. Kasey Roberts
Honors English 10
English 12
AP English Literature

Ms. Olivia Smith
Honors Algebra 2

Ms. Avery Stanley
Honors English 9
Honors English 11
AP English Language/Composition

Mrs. Danielle Wise
Anatomy and Physiology

Honors, Advanced Placement, Dual Credit Course Eligibility

To be eligible for an honors class, a student should have: At least a B average in the subject of the honors course. Students who meet the grade requirement in the subject will be invited to register for the class. Any students who do not meet the grade requirement but are still interested in registering for the class must speak with the teacher of the honors class for permission. Students may be asked to take a placement test to determine ability and chances for success in the program. Administration, in consultation with the teacher of the class, will make final decisions on student enrollment in accelerated courses.

ADVANCED PLACEMENT

HONORS AND

Dual Credit Courses

Advanced Placement (AP), Honors & Dual Credit (CCN - College Credit Now)

Our Honors, AP and CCN courses allow students the opportunity to take the most rigorous courses available at Blanchet in preparation for collegiate studies. These courses are available to all of our high school students.

Blanchet partners with the Oregon Institute of Technology and Chemeketa Community College to offer courses taught at Blanchet by teachers certified with a Masters or higher degree in each subject area. Credits earned from these courses will transfer to most 4-year colleges and universities.

Advanced Placement (AP)

The AP curriculum, administered by The College Board, consists of standardized high school courses that are roughly equivalent to undergraduate college courses. After completing an AP class, students have the opportunity to take the AP exam in that subject, which can earn them credits and accelerated placement in college.

- AP Biology
- AP Calculus
- AP Computer Science
- AP English Literature
- AP English Language Composition
- AP Government
- AP Physics
- AP Statistics
- AP US History
- AP Spanish Language & Culture
- AP Spanish Literature

Dual Credit (College Credit Now)

Below is a list of Dual Credit - College Credit Now courses offered at Blanchet. In parenthesis are the number of possible credits available through these colleges. There is a minimal fee that is paid to the colleges offering these courses.

Anatomy and Physiology

BIO 103 - Oregon Institute of Technology (5 credits)

Engineering

ENG 101 - Chemeketa (4 credits)

Honors Pre Calculus/Trigonometry

MTH 111 & 112 - Chemeketa (10 credits)

AP Calculus

MTH 251 & 252 - Chemeketa (10 credits)

Honors Statistics

Math 243 - Chemeketa (4 credits)

AP Statistics

MTH 243 & 244 - Chemeketa (8 credits)

English 12

WRI 121 - Chemeketa (4 credits)

AP Physics

PHY 201 - Chemeketa (5 credits)

Conceptual Physics

SCI 104 - Chemeketa (4 credits)

Honors Chemistry

CHEM 121 - Chemeketa (5 credits)

HONORS

Honors courses generally proceed at a faster pace and cover more material than regular classes.

- Honors Algebra 2
- Honors Chemistry
- Honors English 9
- Honors English 10
- Honors English 11
- Honors Pre Calc./Trigonometry
- Honors Statistics
- Honors Physical Science

Why Should I Consider Taking These Courses?

Honors, Advanced Placement and Dual Credit courses are more rigorous and in-depth. They are designed for students who want and can handle a challenge. These courses can boost your GPA and prepare you for the transition to college. Excelling in these classes shows colleges you are ready to succeed at college-level work and can help you get a jump start in earning college credits.

"The teachers set high expectations while at the same time inspiring students with a passion for learning and growth."

(Paola Diaz-Hermosillo, Class of 2024)

"My Honors, AP and Dual Credit classes offer me an academic challenge. My teachers offer a learning environment that encourages a love for education."

(Lily Castaneda, Class of 2024)
