Golf Cautionary Statement

Golf is a great sport. It is one of the most enjoyable sports that can be played for a lifetime. Enjoyment, improved play and competition safety can be ensured by paying attention and adhering to the following considerations and procedures.

PREPARATION FOR PRACTICE OR CONTESTS

1. During all practice or competitive sessions and while preparing for practice or preparing to depart the golf course, participants are expected to observe and follow all policies contained in this document, all USGA playing rules, and display proper golf etiquette. Any practice or competitive golf rounds played without school district authorization or supervision will be at the player's own expense and own personal liability for damage, loss or injury.
2. Choose clothing or footwear that fits properly, and doesn't restrict movement. Wear all protective and supportive undergarments to practices and competition.
3. Select clothing appropriate for precipitation, humidity and temperature.
4. Players should ingest the equivalent of 4 to 6 glasses of water each day. All athletes should bring their own water bottles.
5. Players needing protective tape, first aid, or rehabilitative treatments should arrive early to receive necessary treatment
6. Avoid horseplay with clubs and equipment.
7. Players with seizure, neuromuscular, renal, cardiac, insulin/diabetic, or chronic skeletal problems, disorders or diseases, must present a physician's approval prior to participation in any practice session.
8. If ill or dizzy, notify the coach or trainer. Do not practice.
9. Check clubs regularly for metal stress or other signs of deterioration.
10. Replace or repair damaged clubs.

MOVEMENT AND TRAVEL TO CONTEST/PRACTICE SITE:

1. Exercise caution in driving to courses or practice areas.
2. Be cautious in parking lots when unloading clubs and/or carts or when changing shoes.
3. Be alert to ramps, stairs, artificial turf surfaces, carpets, concrete surfaces, and other changes in footing textures.
4. Be alert to locations of driving, practice swing, chipping, and sand trap areas.
5. Be alert to cart pathways, golf carts, and traffic patterns.
6. Be alert to weather conditions, especially stormy weather. Check with the coach before playing if there are any safety questions.
7. Adjust for temperature and humidity. A cap, sunglasses and sunblock can be helpful in avoiding discomfort or overheating. Players with sensitive skin should avoid prolonged sun exposure.
8. No horseplay, roughhousing, hazing or initiations.
9. No foul language.

CAUTIONS SPECIFIC TO GOLF:

1. When involved in club control/club swing drills LOOK in all directions BEFORE taking your first practice swing. Be sure there is room for the club to be swung safely.
2. No horseplay with clubs or equipment. No club throwing.
3. Be alert to players on adjacent tees or fairways.
4. Be alert to players in front and behind you. On short holes, signal players behind when it is safe to hit their tee shot. Do not hit the tee or fairway shots if in close to players ahead.
5. Call "FORE" if any shot moves into an adjacent fairway, or near any other players.
6. Drink water frequently on the course. If uncomfortable, stop in a shady area or sun shelter and consume weather. Call for assistance if dizzy, ill or light headed.
7. If severe weather occurs while on the course:
 - a. Remove spikes, get away from clubs.
 - b. Avoid isolated trees, shelters, hilltops, open spaces, or metal objects.
 - c. Move to a wood building, low, protected area, or heavily wooded area.

EMERGENCY ACTION PLAN

Because of the physical demands of golf, some injuries may occur. All injuries must be called to a coach's or trainer's attention. Most will be minor and can be managed with basic first aid. However, on occasion the situation may require more intense management.

In the event of an emergency:

1. Stop all activities, practice or competition. DO NOT move the victim.
2. Call a coach to manage the situation if not already at the site.
3. Sit or kneel in close proximity.
4. Assist by:
 - a. Calling 911 emergency care.
 - b. Bringing first aid equipment or supplies to the site.
 - c. Keeping any onlookers away.
 - d. Directing the EMTs to the scene.
