Dear Blanchet Catholic School Community,

I would like to extend a warm welcome to both returning and new families to our Blanchet Catholic School community. We are excited to have you with us and look forward to the coming school year and all of our students' academic, spiritual, and personal growth.

We are very honored that you have chosen Blanchet Catholic School. Parents and the school are partners in our students' education. In that regard, communication between the home and school is essential to your child's success, and I encourage you to reach out to us whenever you have questions or concerns. We are here to support you and your child throughout the school year.

Many of the questions you may have about the coming year will be answered in our 2025-26 Back to School packet. This year, we are offering the Back to School packets online.

- St. Luke & Sacred Heart - Blanchet offers morning transportation for families who are coming from the Woodburn/Gervais area. This is only a morning transportation opportunity as there will not be an afternoon run of this route.

In order to ensure that we provide large enough vehicles for the number of students who are planning on participating in our bus routes on a daily basis, we require families to **reserve a spot**. You may reserve a spot by filling out our [Bus Sign-up Form](#) by **August 31**

CARPOOLS

Blanchet does not coordinate or formulate carpools between members of our community. Parents are welcome to access their [Facts Family Portal](#) accounts and click on the School area, where you will find the Directory. You may sort the list by zip code to find other Blanchet families who have shared their contact information if you wish to organize/coordinate your own carpools.

The Blanchet directory, and all of the personal information in it, is solely for personal use by families of current students of the school. It is not to be shared with other individuals, organizations, or businesses.

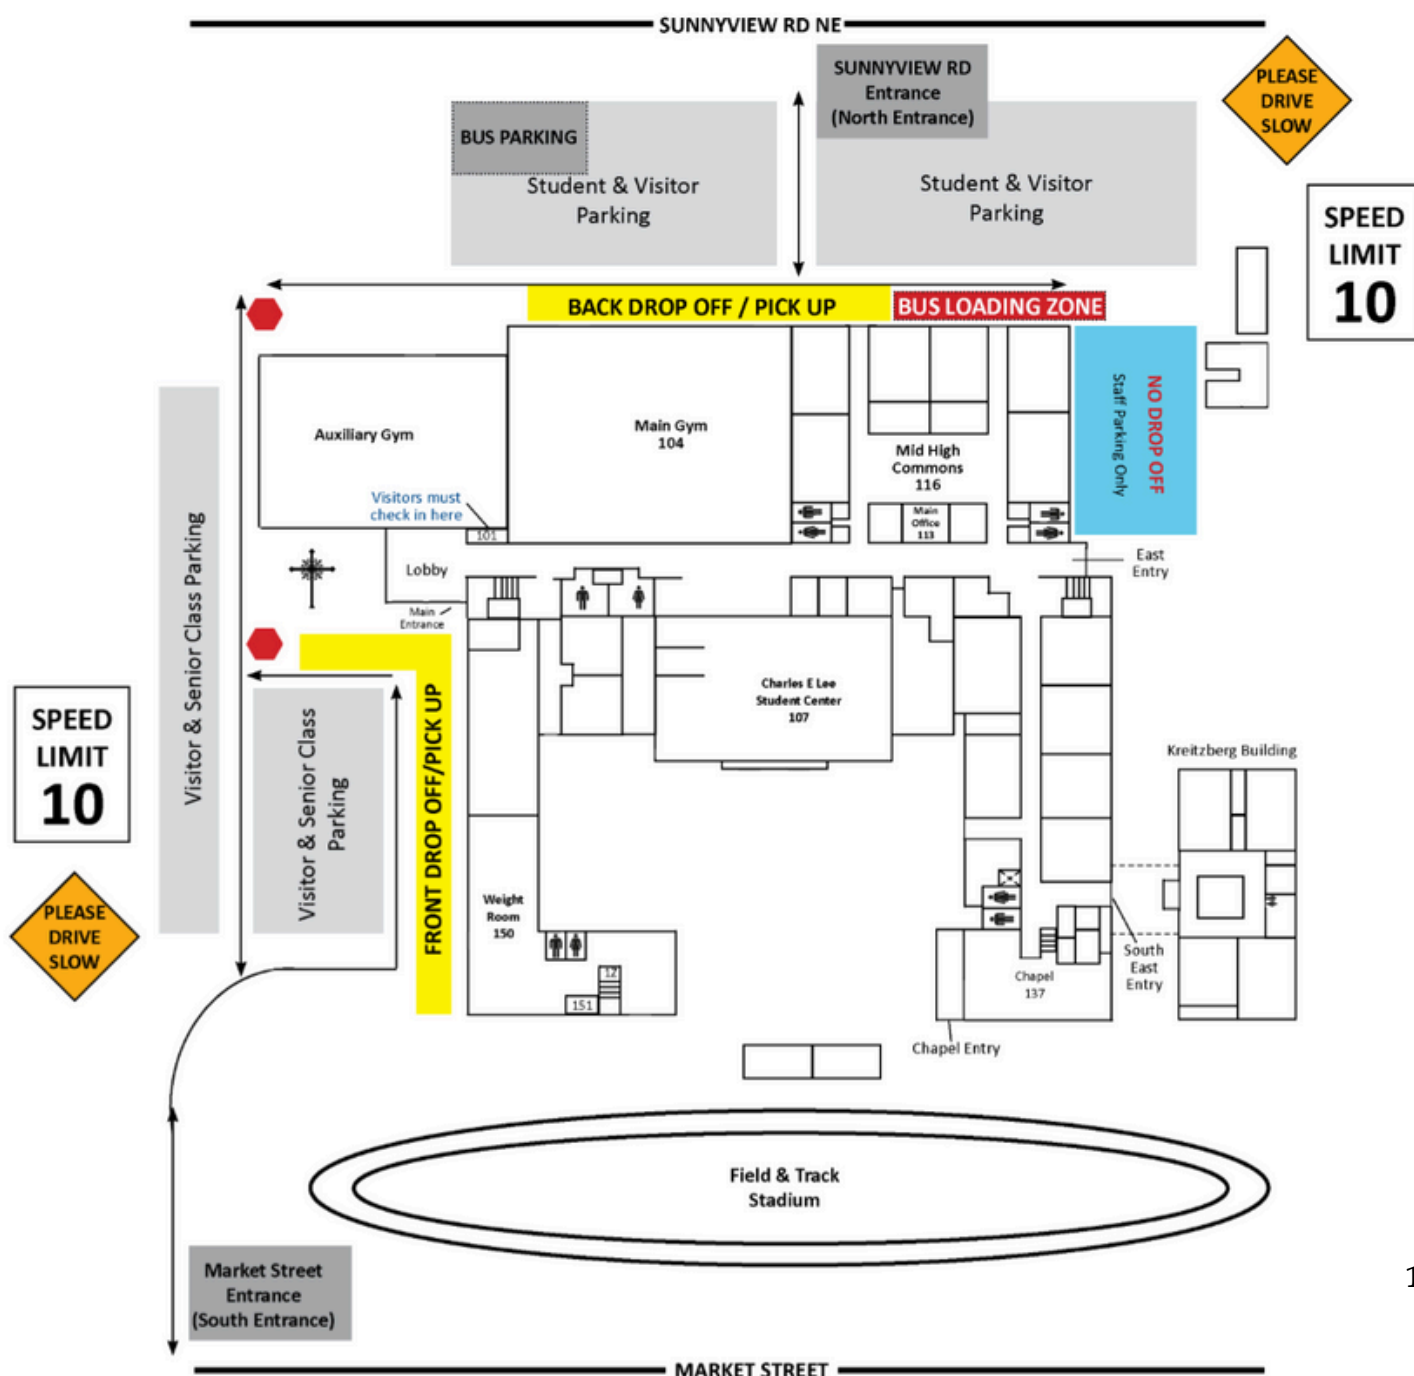

We encourage families to connect and coordinate rides to and from campus through the use of the directory. By enabling families to use the directory for that purpose, however, Blanchet in no way assumes any responsibility related to anyone's carpool arrangements. By using the directory and participating in a carpool, you expressly agree to release, indemnify, defend, and hold harmless Blanchet, and its respective employees, directors, officers, agents, and representatives from any and all liability arising from the use of this service, including but not limited to any lawsuits, claims or causes of actions brought by you or any third party alleging any injuries or damages of any kind, whether relating to personal injury, damage to property, remedies in equity, attorneys' fees, or court costs.

DROP OFF & PICK UP

Blanchet has two entrances onto campus—Market Street entrance (front entrance) and Sunnyview Road entrance (back entrance). Traffic flow on campus can get congested at times, especially in the front of the building. A couple of ways to help alleviate this problem is to:

- Use the Front and Back Pick Up areas to help alleviate the congestion at the Market St entrance.
- Pull all the way up to the curbside as close to the car in front of you.
- Have your student(s) ready to exit your vehicle.
- Market Street entrance: Pull all the way forward until they are even with the white cross when using the Front Drop Off / Pick Up area
- Sunnyview Rd. entrance: Students can enter through any of the Mid High Commons doors using their ID cards at the Back Drop Off / Pick Up area.
- It is recommended that lining up in either Pick Up areas start no earlier than 3:00 p.m.
- **Pick up is not allowed between 2:45 p.m. and 3:10 p.m.**

In addition, please make sure to drive slowly while on campus. We have students all over the campus coming and going from various activities, practices and games. We greatly appreciate your help in this matter.

Safety

PROTOCOLS

As we head back to school this Fall, we want all parents and students to be informed about the safety protocols. At Blanchet, student and staff safety is of the utmost importance, and we want you to know the safety and security measures and practices that are in place and that will be carried out daily.

Our administrative team and board members routinely discuss security expectations related to the security of all outside entrance doors and heightened alertness at the front entrance doors, where students, staff, visitors, and the public enter. Security cameras are routinely monitored at the front entrance, exterior of the school, and throughout the school building. Additionally, the school engages in emergency drills for fire drills, shelter-in-place drills, evacuations, and lockdown procedures throughout the school year.

- ➔ All faculty and staff are required to wear their appropriate photo identification at all times.
- ➔ All parents, guests, and visitors will be asked to come to the front doors and ring the buzzer on the right side of the entrance. Once you are buzzed in, you must check in at reception and be issued a visitor's pass. The pass must be returned when you leave the building.
- ➔ If a guest has an appointment with a faculty, staff, or administrator, you should check in and wait for that person to meet you in the front lobby.
- ➔ We are also updating our security measures for students. Please review these with your children so they know the new rules. We will also review them once school is back in session.

We want everyone to understand that our security measures protect the safety of our students, staff, and school buildings. We appreciate your patience and understanding as we work together to ensure the safety of our students and staff.

STUDENTS' SAFETY RESPONSIBILITIES

1 CAMPUS SAFETY

Students will be instructed **not to allow anyone into the building** through any back or side doors. All parents, guests, and visitors must enter through the front entrance and check in.

2 BUILDING ENTRANCE

Students **must use their identification badge** to get around the building, including the front door, mid high entrance, and science building entrances.

3 MEAL TIME

Students **must have their identification badge** to pick up their ordered lunches or snacks. Students without badges must go to the back of the line until all students with badges have been served.

4 LOST ID BADGES

If a student identification badge is lost or stolen, students must **report this to the main office** so that the badge can be deactivated and a new one issued. If students lose their security badge, they can get a new one at the main office. **New badges cost \$10.**

5 ATTENDANCE

If your student will be late to school or absent for the entire day, please notify the attendance office **before 8:35 a.m. each day** of their absence/tardiness.

6 APPOINTMENTS

Please notify the attendance office **at least one day before the appointment** if your student must check out during school hours. It disrupts the classroom when students must be called out of class without prior notification.

Emergency Communications with Facts Parents Alert

Blanchet utilizes a communication system called ParentAlert to ensure we can quickly reach you during emergencies or unexpected events, such as power outages or inclement weather closings.

ParentAlert allows us to send automated phone calls, emails, and text messages within minutes, keeping you informed with real-time updates when they matter most.

In addition, ParentAlert includes a Parent Portal in FACTS, where you can manage your communication preferences and choose how you'd like to receive messages.

Action Required for All Families

To ensure you're receiving important updates, please complete the following steps:

- **Verify Parent/Guardian Contact Info:** [Log in to FACTS](#), click on "Family" in the left navigation bar, and confirm that the correct cell phone numbers and email addresses are listed for each parent/guardian. Click on the pencil in the upper right corner of the information boxes to make any changes. If you need assistance, contact Katie Piche, Registrar, at info@blanchetcatholicschool.com.
- **Opt-In for Text Messages:** On **Friday, August 1**, we'll send a ParentAlert message prompting you to opt in. Please reply "Yes" to that message to enable text notifications for at least one parent/guardian. If you'd like to opt in sooner, simply text Yes to 79041.
(Note: Your number must already be on file in ParentAlert to receive text messages.)

Counseling Support & Services

As the school counselor, my role is to support our students in their personal and academic development, as well as in planning for life beyond high school. Our program is focused on helping each student navigate their middle and high school years with confidence and emerge well-prepared for their next steps—whether that be college, a career, or another pursuit. Here are just a few of the ways I aim to serve our community at Blanchet:

➤ Social/Emotional Support

- Provide support for personal issues
- Support students and their families with crisis intervention as needed
- Provide referrals for outside therapists or assessments as needed

➤ College & Career Counseling

- Students will work with me to create an individualized four-year plan.
- Seniors will be advised and instructed in the senior seminar class in the areas of choosing a college and career path, applying to college or trade school programs, and paying for their next step in education.
- I will host college planning events for our students and families and provide up-to-date resources throughout the year.
- I will partner with students and families as we navigate through the many changes occurring in higher education at this time. I am committing to gathering and sharing as much information as possible.

➤ Academic Advising

In the academic realm, I want to ensure that students get what they need for their academic growth and development. I will be available to assist students with:

- Time management and study skills
- Planning a four-year course of study to prepare them for success in college and beyond
- Addressing concerns regarding academic performance
- Communication between students, parents, teachers, and administrators

➤ AP/Dual Credit

Blanchet desires to keep our students challenged in every area. Offering Advanced Placement (AP), honors, and dual credit courses to our students is a priority for us. I will be available to assist students with:

- Scheduling and enrolling in courses
- Providing resources for successful testing
- Serving as a liaison between Blanchet students/staff and Colleges

Blanchet Catholic School

Development Department

August 2, 2025

Hello Blanchet families! My name is Toni Nanneman and I am honored to serve as Blanchet Catholic School's Development Manager. In this role, I have the privilege of supporting our incredible community by coordinating fundraising efforts, planning events and activities, and managing the school's digital platforms—including our website, student information system, and the BlanchetCavs mobile app.

Blanchet's development team, though small, is committed to making a big impact. Each year, we organize three major fundraising initiatives:

- **True Blue Gala** (our annual benefit auction)
- **Student Raffle**
- **Annual Appeal**

As a private, independent nonprofit school, Blanchet does not receive state or diocesan funding. Your generous support of these fundraisers plays a vital role in helping us bridge the gap between tuition and the true cost of providing a high-quality, faith-based, college preparatory education in the mid-Willamette Valley.

As a reminder, your enrollment agreement includes the following family participation commitments:

- **Auction** - \$100 contribution to the auction (via cash, new, donated items, or sponsorship) due Sept 19, 2025
- **Raffle** - Sell at least one book of raffle tickets per student in your family—April 2026
- **Annual Appeal** - Each family is required to make a cash donation to the annual appeal. Donations of any size are welcome. The annual appeal begins July 1, 2025, and ends June 30, 2026.

Beyond financial support, we invite families to get involved in meaningful ways throughout the school year. There are numerous opportunities to volunteer or become an event sponsor. Currently, we are seeking volunteers to help lead key areas of our auction. No prior experience is needed—training and guidance will be provided! Please let me know if you are interested.

I'm excited to connect with each of you as we build lasting memories together. We have an exciting year ahead, filled with engaging events and opportunities to strengthen our community. If you have any questions about upcoming events, volunteering, or sponsorship opportunities, please don't hesitate to reach out to me directly. I'd love to hear from you.

By Courage and Faith,

Toni Nanneman, Development Manager

We're so excited to share our annual benefit auction with the entire Blanchet community! Blanchet's True Blue Gala is a lovely evening that includes a catered dinner, entertainment, and live auction on Saturday, October 11, 2025. - Blanchet families can also solicit auction donations with a value of \$100 or greater from friends, family and business associates and these donations can count as your contribution.

Annual Benefit Auction—True Blue Gala

July 14, 2025

Dear Donor,

We are thrilled to be planning Blanchet Catholic School's annual benefit auction, the True Blue Gala, scheduled for Saturday, October 11, 2025. This exciting event will feature a lively evening of entertainment, happy hour, a delicious dinner, and a live auction. In addition, our silent auction will take place online from October 6-10, allowing even more members of our community to participate.

We're reaching out to generous supporters like you, whose past contributions have played a vital role in making events like this a success.

As Blanchet's largest fundraiser of the year, the True Blue Gala helps fund essential programs and services for our students. Your donation not only supports the costs of the event but also directly benefits the young people we serve every day. All contributors will be recognized in our event program and promotional materials, and your donation will be featured prominently during the auction.

Enclosed is a donation form for your convenience. If you're able to support this year's event, please return the form by Friday, September 19, via mail or email.

Thank you for considering this opportunity to support Blanchet. If you have any questions, are interested in advertising in our auction catalog, or would like to become a sponsor, please don't hesitate to contact me at 503.391.2639 ext. 240 or toninanneman@blanchetcatholicschool.com.

- **Coffee Lovers.** Put together a variety of whole and ground coffee beans in different roasts and flavors, along with mugs and sweet treats.

- **Wine and Cheese.** Include bottles of quality red and white wine, an assortment of cheeses, crackers, and other charcuterie-board supplies. You could even increase the basket's value by including a vineyard tour with the package.
- **Craft Beer Sampler.** Curate an assortment of bottled craft beer and hard cider—from local breweries if possible—and add in some salty snacks to go with the drinks.
- **Home Chef Starter Kit.** Build a basket containing small kitchen appliances (like a hand mixer or mini food processor), utensils, spices, and cooking oils. To add value to the basket, include a gift card to a high-end kitchenware retailer or a certificate for a cooking class.
- **New Baby Essentials.** Pack a basket full of blankets, wet wipes, pacifiers, bibs, picture books, baby-safe toys, and a baby monitor. If you include clothing, opt for 3-month or 6-month sizes rather than newborn clothes.
- **Garden in a Box.** For the plant lovers, include gardening gloves, pots, seeds, succulents, a spade, and other tools in one basket. You could also throw in a gift card to a garden center to add value to the basket.
- **Make Your Own Candles.** Include wax, a wax warmer or pouring pot, mason jars, wicks, color chips, an instruction book, matches or lighters, and a set of essential oils for fragrance.
- **Electronic Gadgets.** Center the basket around one large item like a new smartphone, laptop, or tablet; then add smaller accessories like a smartwatch or fitness tracker, Bluetooth speaker, headphones, and an extra-long charging cord.
- **Pet Paradise.** Create two versions of this basket: one for dog owners and one for cat owners. Gather a toys, treats, essential supplies, and certificates for pet-sitting or grooming services, all geared specifically toward each type of pet like a leash and tennis balls in the dog basket, and a scratching post and catnip in the cat basket.

- **Aspiring Artist Supplies.** Secure canvases, paintbrushes, paints, sketchbooks, colored pencils, pottery-making tools, and other high-quality artist's essentials. Find art classes or paint-and-sip party packages or include a gift certificate to encourage the winner to visit local stores.
- **Auto Enthusiast.** Donate car care supplies like glass windshield wipes, microfiber towels, spot sprays, car wax, and air fresheners. Increase the basket's value by putting in a certificate for a service the partner provides, like oil changes, detailing, or new tires.
- **Date Night.** You can easily put together a gift card to a fancy restaurant, tickets to a movie or live show, and transportation vouchers for your date night bundle. To enhance the display, include a bottle of sparkling wine, chocolates, and flowers.
- **Spa Day.** Help your supporters unwind after a long day or week with facial masks, bath bombs, fluffy slippers, candles, scented lotions, at-home pedicure supplies, and a gift certificate for a massage.
- **Game Night.** Procure a popular video game system, make it the centerpiece of a basket that includes controllers, headphones, and a variety of games.
- **Movie Night.** In a similar vein to the game night basket, combine popcorn, boxed candy, cozy blankets, a 6-month subscription to any popular streaming service, and a gift card to a local movie theater in your movie night bundle.
- **Camping Starter Kit.** Use a tent or cooler as a basket and fill it with a sleeping bag, solar flashlight, tabletop charcoal grill, and s'mores supplies. If you want to include weatherproof clothing or shoes in the package, put in vouchers or gift certificates so winners can visit a sporting goods store to find their size.
- **All-Access City Pass.** To highlight attractions in Salem or Portland, create a bundle of tickets for two or four people each to different museums, zoos, nature centers, sporting events, or theme parks. Include a guidebook and some city-specific merchandise like t-shirts or refrigerator magnets in the basket.
- **Fitness Fans.** A basket containing hand weights, gym towels, a yoga mat, a reusable water bottle, and Bluetooth earbuds that will stay in place during a workout. Add a gift card for a popular active wear brand or an exercise class pass at a local gym to increase the basket's value.
- **Music Enthusiasts.** Try creating a basket based on different genres of music, such as country, pop, or classic rock. Include a gift card for a music streaming service, Bluetooth headphones, a record player with a popular vinyl record that matches the genre, relevant artists' merchandise, and maybe tickets to an upcoming concert.
- **An American in Paris.** Transport bidders to the City of Lights with a Parisian-themed basket containing French beauty brands, cheese, croissants, macarons, vintage journals, Eiffel Tower decor, and a gift card to a French restaurant or bakery. You could also adapt this idea to spotlight any popular international city, like London, Rome, or Tokyo.
- **Road Trip.** Bundle together gas station gift cards, reusable water bottles, travel snacks, sunglasses, car games, and car phone chargers to supplement your supporters' next road trip. A trunk organizer or cooler that fits well in the backseat of a car would make a perfect container for this basket.

Annual Appeal & Student Raffle Overview

2025-26 Annual Appeal

Blanchet is a school that is blessed with an incredibly supportive community because of the difference it makes in the lives of our students and, through them, in the world. It is this support that allows us to keep our tuition among the lowest of similar schools in the Oregon.

We work tirelessly to keep our doors open wide, welcoming students of all backgrounds and financial means. Last year, we awarded tuition assistance to over fifty percent of our students. With your help, we can make a Blanchet education accessible to every family who seeks one.

Donating to the Annual Appeal helps us pay for academic programs, operational costs and teacher salaries, to name just a few items. A donation to Blanchet is an investment in our mission to prepare students for college and for life, to form individuals of faith. You can help transform the world by supporting the young people entrusted to our care.

Donations can be made any time during the school year by sending donations to the business office or through the BlanchetCAVS Family Mobile App or Parents webpage at www.blanchetcatholicsschool.com/annualappeal/

We are always looking for donations for raffle items and/or families or businesses to sponsor the raffle. **Please see the enclosed Event Sponsorship form for more details on raffle sponsorships.** With gracious sponsorships, we offer wonderful raffle prizes and student incentive prizes!
