

STUDENT DROP OFF AND PICKUP

Blanchet has two entrances onto campus - the Market Street entrance (front) and Sunnyview Road entrance (back). Traffic flow on campus can get congested at times, especially in front of the building. A couple of ways to help alleviate this problem is to:

- Use the front and back pick-up areas (highlighted in yellow) to help alleviate the congestion at the Market Street entrance.
- Pull all the way up to the curbside as close to the car in front of you as you can.
- Have your student(s) ready to exit your vehicle.
- Pull all of the way forward until you are even with the white cross when using the FRONT drop off/pick up area.
- Students can enter through any of the Mid High Commons doors using their ID cards at the BACK drop off/pick up area.
- It is recommended that lining up in either pick up start no earlier than 3:00 p.m.
- Please avoid scheduling early student pickups between 2:45 and 3:10 p.m. to minimize classroom disruptions and maintain a safe, efficient dismissal process. If an appointment requires your child to leave during this time, please notify the school office the morning of the scheduled appointment.

Please make sure to drive slowly while on campus. We have students all over the campus coming and going from various activities, practices and games. We greatly appreciate your help in this matter.
