Blanchet Catholic School 2012 President's Report

President's Message

September 2012

Dear Blanchet Community,

The school year 2011-2012 was truly one of the most remarkable in our school's young history. We made great progress on the goals of our five-year plan, broke ground on a new 10,600 sq. ft. addition, celebrated the amazing success of our very talented class of 2012, and so much more.

We've chosen to share what we consider our 'biggest stories of the

year' in the form of a calendar. Please take the time to read the sidebar that accompanies each photo and be reminded what your support and generosity means to the 360 students that attend Blanchet Catholic.

We hope you enjoy the new calendar format of our President's Annual Report and hang it prominently in your home so you can look forward to the many special events that we have scheduled for this upcoming year. I also ask you to pay special attention to the donor lists that populate the back of the publication and join me in saying a prayer of thanksgiving to the hundreds of donors whose consistent and generous support allow us to continue providing an excellent Catholic secondary education to Mid Valley youth.

We look forward to building upon school traditions and successes, and making our 18th school year even more memorable than last year.

Development Report

We are very grateful to the donors listed in the back of this publication whose generous financial support allows us to continue carrying out our mission. Below is a brief report on our development activities in 2011-2012.

Major School Fundraisers –

Auction – While our fall auction fell 9% short of its financial goal, the event remains the school's largest annual fundraiser and netted nearly \$100,000 for our operating budget. We greatly appreciate the volunteer committee that organizes this successful event and the over 375 attendees who enjoyed a fantastic evening in support of our school.

Raffle – Blanchet students did an amazing job selling raffle tickets this winter and as a result, this fundraiser met its ambitious financial goal and netted \$45,000 for students and programs. Thank you to everyone who supported this fundraiser by buying raffle tickets!

Annual Fund – Our annual fund exceeded its goal and netted over \$65,000. Over 70 donors (including many first time donors) took advantage of the opportunity to purchase a custom stepping stone that will be installed in our new outdoor courtyard.

Overall, over \$240,000 was raised by the development team this school year to fund school operations.

Five Year Plan -

We established our latest Strategic Five-Year Plan, Vision 2015, in 2010. We made considerable progress this year towards our goals including breaking ground on our new Commons building, continuing to renovate and modernize the school campus, purchasing Naviance college counseling software and beginning to implement a technology curriculum into the master schedule.

Foundation for the Future Campaign

We went public with the "Foundation for the Future" campaign in fall 2011. To date, over \$3.6 million has been raised towards our \$4.2 million goal. These funds are being used to: renovate and build facilities, provide tuition assistance, enhance the curriculum and upgrade technology. We are confident that, with your help, we can raise the remaining \$600,000 to fund the priorities of our five-year plan by 2015.

Artistic Talents Shine Blanchet's Fine Arts

1011

Whether in band, choir or drama, Blanchet students found success.

Under the outstanding leadership of Music Director Kami Hettwer, the band and choir programs have seen a marked increase in participation and overall quality. In additon to band, guitar ensemble and choir classes, Mrs. Hettwer has provided many wonderful opportunities for her music students to share their talents including participation in pep band, musical workshops and festivals.

The high school drama program welcomed two talented guest directors for the 2011-12 season. Dave Berrier directed the fall production of *The Scarlet Letter* and Gabrielle Brewer-Wallin directed the spring musical *Quilters.* Both plays showcased the wonderful theatrical and musical talents of our students.

Kasey Roberts brought her expertise and guidance to the mid high program for the year with the production of two delightful plays, *School House Rock* and *Seussical*.

Blanchet has been well represented in Salem's World Beat Festival Art Contest for many years in a row. This year was no exception. Blanchet's high school art program won the Honorable Mention award for high school art classroom and the mid high art program won 1st Place for their classroom entry in the K-8 category. Individually, Megumi Kim (grade 11) and Ryan Orlandini (grade 10) both received Honorable Mention Concept Design, and Katie Pittioni (grade 10) was honored with the Award of Excellence.

Mrs. Heintzman Crystal Apple Award Winner

Blanchet art teacher Mrs. Heintzman was named a 2011 Crystal Apple Award winner, one of just ten superb educators in Salem to receive this prestigious honor. Each year the Salem Area Chamber of Commerce, in collaboration with Salem-Keizer Public Schools, and the Salem-Keizer Education Foundation awards the Crystal Apple to educators who have made significant contributions in the lives of children.

In letters nominating Mrs. Heintzman for this award, Blanchet parent Mary Belleque commented, "Mrs. Heintzman is loved, valued and admired not only by her present students, but by faculty, former students, parents and the entire Blanchet community. She is truly one of Blanchet's treasures."

Colleague Kasey Roberts wrote, "Mary is able to pull the very best from the rawest of talent. Her students feel that she connects with them individually and is able to steer them in the direction of their interests."

In addition to her 28 years as an educator, Mrs. Heintzman has dedicated countless hours outside of the classroom to community projects including directing the Eco-Earth project in Salem's Riverfront Park.

The Heart of Campus

Blanchet broke ground on its new Commons building last spring. "This is the heart of the school," said President Lee when talking about the new Commons building during the groundbreaking ceremony on April 13, 2012. Auxiliary Bishop Kenneth Steiner, who also is a member of Mr. Lee's Advisory Board, provided a blessing for the students and new building during the ceremony.

The new Commons building is a 10,600 sq. ft. addition to the campus that will include a cafeteria, commercial kitchen, athletic locker rooms, student store and landscaped courtyard. In addition to meeting many school needs, the building will also be available for reunions and for neighborhood and community activities.

Please join us for a special dedication of the Commons building on Friday, November 16, 2012 beginning at 5:30 p.m.

Celebrating Mass New Traditions & Old

The celebration of Mass is central to the Blanchet Catholic School mission. The opportunity to participate in the traditions of the Catholic church and to create new traditions unique to Blanchet help to foster a dynamic environment for academic, spiritual and social growth.

This spring Blanchet began a new tradition with a special pen Mass. Prior to a celebration of Mass by Father David Cullings, time was dedicated to this new and meaningful passing of the pen from this year's seniors to the juniors. Each junior received a pen, inscribed with Blanchet Catholic, their name, a cross and "By Courage & Faith," from a member of the class of 2012. Mass was followed by a special lunch for juniors and seniors.

Disney Planet Challenge Watershed Restoration

Blanchet's eighth grade class, led by science teacher Mrs. Halsey Randall, was honored in May as the state winner (6th place nationally) of the Disney Planet Challenge for their efforts to improve the Willamette watershed on school grounds. The Challenge is an initiative that focuses on inspiring kids and families around the world to take simple steps to help the planet and their communities.

The eighth graders began their project in January with the clean up of one of four drainage ditches and an adjoining swale that eventually drain into Claggett Creek. A native plant, educational and demonstration garden was also established.

The group's efforts have been recognized locally with a grant from the Diack Ecology Education Program and, most recently, with a \$7,500 grant from the City of Salem to continue to remove invasive plant species and garbage and to establish native plants along all four ditch banks and the swale. The goal of the project and grant is to ensure that the water leaving the Blanchet campus is clean and cool when it enters Claggett Creek.

In the end, the Lady Cavaliers took the state title in a 5-1 victory over conference rival Santiam Christian.

Blanchet's only senior player, Allie Butterfield, led the Lady Cavaliers to the state title and was named 1st Team All State Infielder and 3A Player of the Year. In November of 2011, Butterfield signed to play softball with the Arizona State University Sun Devils.

On the Middle of it All

1012

Blanchet's mid high offers a unique college preparatory program for grades 6 - 8. While academics are the priority, our mission is to provide our mid high students with a well rounded experience rich with social, spiritual as well as intellectual opportunities.

Mid high students attend Mass and retreats, have their own student government, produce their own plays and musicals, participate in clubs and athletics, attend dances and socials and compete in math and science competitions.

Of the many special activities offered to our mid high, there are five that stand out as favorites among students. The annual Camp Howard Clean-Up is a full day of service our 7th and 8th graders provide to this youth camp located at the base of Mt. Hood. The **Zoo Snooze** is a rare chance to spend the night at the Oregon Zoo for our seventh graders. The Lock-In is an all night social put on for 6th - 8th graders by the senior class. Away **Day** is a full day spent at Oaks Amusement Park just for our 8th arade class, and the 8th Grade **Celebration** is a special Mass and ceremony honoring our 8th graders and celebrating their promotion to high school.

Leqacy Alumni The Gathering

Save the Date! August 9, **2014** the next **Gathering!** Over 500 alumni and friends of Sacred Heart Academy and Serra Catholic High School attended an all-year reunion held at Blanchet on August 6, 2011. Sacred Heart Academy closed its doors in 1984 and Serra Catholic in 1969.

Guests traveled from all across the U.S. to attend "The Gathering" and enjoyed sharing memories of their schools, looking at memorabilia and dancing to the music performed by "The Live 5," a popular Salem rock-n-roll band that formed out of Serra Catholic.

Blanchet's Legacy Alumni Committee has worked tirelessly to reconnect alumni of Sacred Heart and Serra Catholic and introduce them to Blanchet ~ "a new place to call home." The Committee was honored during Blanchet's Founders Day event as the recipient of the 2012 President's Award for their tremendous support of Blanchet Catholic School.
