(8) ~ Honored
in November for
"Gratitude."

Michael Reyes (7),
Katelyn Millican (8)
& Brooklyn Buchheit
(6) ~ Honored
in December for
"Service and Giving."

FROM THE PRESIDENT

Dear Blanchet Catholic School families and friends,
It's an exciting time at Blanchet Catholic! This
edition of the Cavalier Magazine details some of
our recent highlights and previews our expectations
for the future. Of course, none of this is possible
without the enduring support of our friends

and benefactors. That belief in Blanchet is also
demonstrated in these pages as our Annual Report.

Blanchet Catholic has succeeded and continues
to thrive, in large part, because of our practice of
strategic planning and the implementation of the
initiatives resulting from that process. The current
2015-16 school year is the first year of our Vision
20/20 strategic plan that will guide our school
improvement efforts through the 2019-20 school
year. This issue provides an introduction to that
plan; please review the information provided and
then look for an invitation to upcoming "town hall"
meetings where I will present more details and
timelines for accomplishing our goals together.

The future is bright at Blanchet as we seek to
continue building our tradition of providing a
quality, well-rounded, college preparatory Catholic
education to the young people of the Mid-
Willamette Valley. Thank you for your partnership
in this effort.

By Courage and Faith,

Anthony Guevara, President

2015-16 ANNUAL APPEAL

Blanchet has grown significantly in the last twenty-
one years, and we've been able to retain our vision
to provide an excellent Catholic preparatory high
school education for Mid-Willamette Valley youth.
In order to maintain that level of excellence, we
need your help. This year nearly 40% of our student
body received some level of tuition assistance; a
record amount in the history of the school. We do
our best to keep tuition affordable and our doors
open to all students; however, to do so, we must
meet the financial obligation. The annual fund is
one of three fundraisers that helps to bridge the
gap between tuition and the actual cost of running
the school. Please consider supporting Blanchet by
donating to the annual appeal and making Blanchet
your philanthropic priority.

Blanchet's 2015-16 annual appeal letter was mailed
in November 2015. Our goal is to raise \$45,800 by
June 30, 2016. We hope you will consider donating
if you haven't already done so. To date, we've raised
nearly \$25,000 and are working diligently to exceed
our goal.

We are challenging the Blanchet alumni to raise
\$5,000 towards this year's annual appeal goal.
The class with the most money raised will have
the driveway into campus named after them. The
Class of 2009 won last year by raising over \$3,500.
Currently, all who enter Blanchet drive into Class of
2009 Drive!

On behalf of our school community, we are
grateful for your support! Donations can be made
on the Blanchet website or you may contact the
Development Department at 503.391.2639 if you
have any questions.

Wonderland*.

Oregonian Cup

SPORTSMANSHIP, PASSION & HARD WORK

We are incredibly proud to announce that Blanchet Catholic School has been named the 2014-15 OSAA Oregonian Cup winner in the 3A classification! Blanchet has regularly finished in the top ten in our classifications, but this is the first time in school history that we have taken home the top trophy. Excellent state finishes by the school's varsity teams, athletes' success in the classroom, and participation in school activities coupled with no ejections during all three seasons has propelled Blanchet to the top of the standings.

Blanchet Athletic Director Tom Howard said, "The Oregonian Cup award reaffirms that the strides we are taking toward creating balance in our students' lives are paying off. Students learn that sportsmanship, passion and hard work are the building blocks for competing in the classroom

and on the courts. Like all schools, we have areas to improve upon, but we are very pleased and honored that our student athletes and the Blanchet community have been recognized for our efforts."

The Oregonian Cup is the highest honor given by the OSAA. The award recognizes overall excellence in academics, activities and athletics, and honors the school's students, teachers, coaches and the entire school community. Schools earn points based on their participation and finish in OSAA State Championships and Top 10 finishes in the OSAA Academic All-State Program. A sportsmanship component, whereby schools are awarded points each season for having no ejections, is included as well. Points are totaled at the end of each year and the school earning the highest points in each classification receives a commemorative trophy from the Oregonian and the OSAA.

Blanchet Catholic School earned 2,412.5 points over the school year. Listed below are Blanchet's 2014-15 state 3A rankings according to team GPA. We have also noted each team that participated in state play-off competition for the 2014-15 season.

Football - 1st Place (Across all Classifications) - 3.61 GPA - (State Semi-Finals)
 Volleyball - 2nd Place - 3.79 GPA - (State Competition)
 Boys Soccer - 4th Place - 3.67 GPA - (State Semi-Finals)
 Girls Soccer - 5th Place 3.65 GPA - (State Competition)
 Boys Cross Country - 3.74 GPA - (State Competition)
 Girls Cross Country - 3.67 GPA - (State Competition)
 Boys Basketball - 1st Place (Across all Classifications) - 3.88 GPA - (State Semi-Finals)
 Girls Basketball - 8th place - 3.72 GPA
 Cheerleading - 4th Place - 3.71 GPA
 Boys Swimming - 6th Place - 3.40 GPA - (State Competition)
 Girls Swimming - 12th Place - 3.61 GPA
 Baseball - 1st Place (Across all Classifications) - 3.70 GPA - (State Competition)
 Softball - 1st Place - 3.75 GPA (3A)
 Band - 2nd Place - 3.70 GPA (3A)
 Boys Golf - 3rd Place - 3.68 GPA (3A/2A/1A) - (State Competition)
 Boys Track & Field - 3rd Place - 3.56 GPA (3A) - (State Competition)
 Girls Golf - 4th Place - 3.77 GPA (3A/2A/1A) - (State Competition)
 Girls Track & Field - 4th Place - 3.63 GPA (3A) - (State Competition)
 Boys Tennis - 4th Place - 3.51 GPA (4A/3A/2A/1A)
 Solo Music - 5th Place - 3.77 GPA (Across all Classifications) (2nd Place State Finisher)
 Girls Tennis - 6th Place - 3.68 GPA (4A/3A/2A/1A) - (State Competition)
 Speech & Debate - 7th Place - 3.78 GPA (Across all Classifications)

CARLTON WISE

one of the foundational members of the Blanchet staff because he played such an integral role in helping to establish and develop many of the programs that have made the school a success. In my more than twenty years as an educator, I consider Carlton Wise one of the most talented and dedicated educators I have encountered. He is truly a gift to Blanchet and the entire Salem education community."

Blanchet students affectionately refer to Mr. Wise as "the Sherriff," a title he wears with pride. He is a strong leader and communicator who will always work for what's best for each student. "Carlton is a servant leader

who is willing to shoulder the weight of conflict and who always has great insight into a problem," comments fellow educator Kasey Roberts.

Former student Alex Nanneman, Class of 2009, says, "Mr. Wise always greets his students with a smile. He is kind, fair and invested in the success of his students. Mr. Wise is a great example of a Christian man, father and husband."

The surprise announcement of his Crystal Apple nomination was made following Mass on October 20 by Krina Lee, Salem Keizer Education Foundation Executive Director, and former President of Blanchet, Chuck Lee.

Since 1997, the Salem Area Chamber of Commerce, in collaboration with Salem-Keizer Public Schools, and the Salem-Keizer Education Foundation have recognized excellence in education. The Crystal Apple Award gives the business community the opportunity to honor area educators for making significant contributions in the lives of children. This year Blanchet is proud to announce that Mr. Carlton Wise is the nominee for this prestigious honor.

Carlton Wise joined Blanchet Catholic School in 2001 as a teacher and coach. It was immediately clear that Carlton was going to be a significant part of the school community. He established himself as a consummate professional who is dedicated to helping students succeed in all facets of life. By year two at Blanchet, Carlton had moved into an administrative position while continuing to teach and coach. Now in the position of Vice Principal of Instruction and Guidance, Mr. Wise continues to work with students, parents and staff with the utmost care and compassion.

Former Blanchet principal Bob Weber comments, "It is not an understatement to consider Carlton

Right: Mr. Wise, dressed as Santa, poses for photos during Christmas spirit week. Pictured here with seniors from the class of 2012.

ROBOTICS TEAM

Blanchet is pleased to announce that it has started a Robotics Team! They are called System Overload! and are led by Blanchet science teacher Patrick Mordhorst and Blanchet parent Ramesh Bala. Ten students are participating in the FIRST Tech robotics challenge.

FIRST Tech Challenge teams (10+ members, grades 7-12) are tasked with designing, building, programing, and operating robots to play a floor game in an alliance format. Participants call it "the hardest fun you'll ever have!" Guided by adult coaches and mentors, students develop STEM skills and practice engineering principles (such as keeping an engineering notebook), while realizing the value of hard work, innovation, and sharing ideas. The robot kit is reusable from year to year and can be programmed using a variety of languages. Teams also must raise funds, design and market their team brand, and do community outreach for which they can win awards. Participants have access to tens of millions of dollars in college scholarships.

Blanchet's team meets once to twice a week for two to four hours each. They also meet every other

Saturday with their league teams for another four to five hours for an opportunity to compete and try out their designs.

The goal of robotics competition is to score points and accumulate those points over the competition. The design of the robot needs to be capable of scoring as many points as possible. For the inaugural year, our robotics team is focused on competing, learning and working together.

To improve their skills and level of competition, the robotics team would like to have another robot to work with. This would also allow the group to expand. The maximum number of students per team is 10-12 and this makes it difficult to keep all on task. Two robots would allow a research and development team to work on a separate robot and the competition robot to be the final prototype. Additionally, it would be great for the students to have access to AutoDesk Inventor to create 3D renderings of specialized parts and a 3D printer to produce these parts.

BLANCHET'S FIRST PRISM CONCERT

Several years ago, Kami Hettwer band, choir, and general music teacher at Blanchet Catholic School, envisioned producing a Prism Concert for Christmas. On December 17, 2015, that dream was fulfilled. Parents and administrators were heard praising it as the best concert ever produced in the history of Blanchet. The time and effort that every student and teacher contributed was a testament to their abilities to rise to the immense challenge of producing a complicated and exciting program.

The first Prism Concert was produced 25 years ago at Eastman School of Music in Rochester, New York. Dan Shultz of the International Adventist Musicians Association describes a Prism Concert in this way: "A Prism Concert, named for the prism which reveals the varied colors of light, presents the many facets of a musical experience in as pure a form as possible, without applause, gaps between performances, and visual distraction."

In order to effectively produce a concert like this, there are a number of very important things that need to happen. First, the auditorium space needs to accommodate several different performance spaces so that groups can go on and off with minimal

distraction for the audience. Second, the ability to light each performance space and orchestrate the lighting to flow seamlessly from one area to another is extremely important. Third, numerous small ensembles and soloists must be available to perform between the larger groups. Finally, a complicated "script" must be followed meticulously in order to make everything flow without undue pauses.

On the evening of December 17, 93 Blanchet students - 25 percent of the student body - performed in "Music for Christmas, It's the Holiday

Season" at the East Salem Community Center. The program consisted of twenty-eight songs featuring all of the ensembles of Blanchet's music department. Nine of the pieces were performed by soloists or small ensembles. Those students practiced during regular class time and during lunch breaks or after school to prepare beautiful music for the community. The other nineteen pieces were performed by the Wind Ensemble, Concert Choir, Concert Band, String Orchestra, Sixth Grade String Orchestra, and Sixth Grade General Music classes.

The students had seven weeks to prepare all this music. There was fear and trepidation at first, as some of the students who only started playing instruments this year began to learn their music. Everyone worked hard and overcame some great challenges, playing music that seemed so difficult only weeks before. The morning of the concert was spent at the community center rehearsing how to get on and off the stages quickly and quietly. There were seven different entrance areas for the students. Instructions were posted at every entrance to show which group entered where and when. As one group finished performing, the lights would go down and then come up in another area of the auditorium, revealing the next group. Students, helped by several teachers backstage, moved quickly from place to place as the audience enjoyed a seamless performance. The night culminated in a grand finale performance of "It's the Holiday Season" with every music student singing on stage

accompanied by band and orchestra. Following the concert, guests were quoted as saying, "The show was absolutely amazing. So proud of all the talented kids and the wonderful music teachers at Blanchet." (Crystal Buchheit) "It was such a beautiful event! I had to sit on my hands to keep from clapping till the end. Great vision, great execution, great talent!" (Kimberley Ann Cannady)

Although it was initially overwhelming for the students to think about learning so much material and to learn entrances and exits in such a short period of time, every one of them stepped up to the challenge and helped to create the most successful concert ever. Kami Hettwer and Stephanie Barth wish to thank everyone who worked so hard on the production. Mark Rodli, the technical director, and Russell North, the sound and lighting technician, created the perfect aesthetics for the performance. Gail Armstrong, Matt Burrill, David Buttrick, Karen Garaventa, and Robbe Ostby helped backstage at the rehearsal and performance. A number of parent volunteers helped move equipment back and forth between the school and the auditorium the day before and immediately following the performance. This could not have happened without the hard work and dedication of all those helpers and performers. Blanchet should be proud of everyone who made this first Prism Concert a great success!

Alumni Updates

KIMBERLY HOPEWELL KNACKSTEDT '05

Kimberly Hopewell is a 2005 graduate of Blanchet Catholic School. Following high school she attended Gonzaga University where she received a degree in special education and certification in elementary education. Kimberly possesses a wonderful talent for working with children with intellectual or developmental disabilities and behavioral challenges.

After earning her degree, she accepted a teaching position in Kansas. Over the next four years she would teach and simultaneously complete a masters degree in special education. It was then that Kimberly decided to pursue a PhD as well as her dream to go to Washington, D.C. to work on education policies. Knowing this, Kimberly's professors encouraged her to apply for the Joseph P. Kennedy Fellowship, an intensive one-year public policy fellowship in Washington, D.C.

The purpose of the Joseph P. Kennedy Fellowship is to prepare both mid-career and more seasoned leaders to assume leadership in the public policy arena in their home state and/or nationally. The fellow learns how federal legislation is initiated, developed and passed by the Congress, as well as how programs are administered and regulations promulgated by federal agencies.

Kimberly was one of several hundred applicants from around the country and was one of just five to receive an interview. Within an hour of the last

interview, she received notice she was awarded the Fellowship. The decision was unanimous among the Board members.

Kimberly will be working on public policy development in the offices of Senator Patty Murray, senior United States Senator from Washington and a member of the Democratic Party. In addition, Kimberly will participate in advocacy training, national disability seminars and other learning experiences. She will receive her PhD in May of 2017.

MATTHEW SCHNURBUSCH '14

Matthew graduated from NW Railroad Institute on March 18, 2015 as valedictorian of his class. He currently resides in Carlsbad, New Mexico and is a conductor for the Southwestern Railroad.

JORDAN RUIZ '12

Jordan was offered a Teach for America position in Phoenix, Arizona in November. He will be teaching secondary math for the Phoenix school district. This program is affiliated with Americorp and will help him get his master's degree while teaching. He is on schedule to graduate from Willamette University in May 2016 with a bachelor's degree, majoring in Economics with a minor in Art History.

DAVID WOLF '07

David recently graduated cum laude from the University of Oregon with a degree in history. He also received the history department's CLIO award for high level of academic achievement.

THOMAS WOLF '09

Thomas graduated from the University of Oregon with a degree in Economics. He has since moved to Beaverton and is working at Maxim Health Services.

CHARLES WISEMAN '14

Charles made the University of Montana Dean's list both fall 2014 and spring 2015. Congratulations, Charles!

PATRICK COUNTS '14

Patrick Counts is a sophomore at Chemeketa as a Chemeketa Scholar. This is his second year playing basketball at the college level. This year Patrick was selected as all academic and leadership recipient for the NWAC Conference. He will complete his AAOT degree this spring and is looking to move on.

JEREMIAH BLAKELEY '99

Jeremiah Blakeley, now known as JJ Milmore, was a part of the first graduating class at Blanchet Catholic School. He and his wife Shonda are entering a new stage in life. God has put it on their hearts to move overseas on mission to Southeast Asia. JJ and Shonda have joined an international non-profit called Remember Nhu whose mission is to end child sex slavery through prevention. The Remember Nhu program helps to provide homes for very high risk children, to feed, cloth, educate and show them the love of Jesus. It started just eight years ago and now has over 1,000 children in more than fifty homes across 12 countries.

JJ and Shonda are now in the process of raising a support team (prayer and finance), and selling their home and possessions in preparation to move to Chiang Mai, Thailand where the group has 14 homes and growing. "We have no expectation of returning to the US other than respites every couple of years to visit friends and family. I never was one to go on a mission trip, I avoided them at all cost. But God can change the heart and build a passionate desire if it's His will. We need to do nothing, except give Him our will and be willing to follow wherever He leads us," comments JJ.

WE WOULD LOVE TO HEAR FROM YOU!

Please send your alumni updates to toninanneman@blanchetcatholicschool.com

Catholic Schools Week

case for practicing the virtue of chastity. By addressing the issues that teens struggle with most, Jason offers encouragement for teens to maintain their purity or begin again if they've made mistakes in the past.

Jason Evert has traveled to six continents to bring the message of chastity to more than one million people over the past 15 years, including World Youth Day in Spain and Australia. Jason earned a master's degree in Theology, and undergraduate degrees in Counseling and Theology, with a minor in Philosophy at Franciscan University of Steubenville. He

is a best-selling author of more than ten books, including *Theology of the Body for Teens*, *Saint John Paul the Great*, and *How to Find Your Soulmate without Losing Your Soul*. He and his wife Crystalina are frequent guests on radio programs throughout the country, and their television appearances include MSNBC, Fox News, the BBC, and EWTN. Together they lead an international alliance of young people who promote chastity in more than 40 countries.

Following the presentation, reconciliation was held in the chapel. Monsignor Huneger, Fr. Zerr and Fr. Heuberger came to hear confessions.

THE CHASTITY PROJECT

Thanks to the generous support of a Blanchet family, all Blanchet students in grades 7 through 12 as well as the entire Regis High School student body attended a seminar presented by Jason Evert on the topic of chastity. The talk was held on Tuesday, February 2 and was the culmination of five years of planning.

In this seminar, which has been delivered to more than one million teens on five continents, Jason Evert reveals the compelling vision of God's plan for human sexuality and presents an uplifting

ALL SCHOOLS MASS

Thank you to Queen of Peace Church and school for hosting All Schools Mass on February 4, a celebration of Mass that brings together the over 700 students attending Salem's Catholic schools. A special thank you to Archbishop Sample for presiding over this celebration and to guest speaker William Dygert, Superintendent of Catholic Schools for the Archdiocese of Portland. Schools in attendance included Blanchet Catholic, Queen of Peace, Sacred Heart, St. Joseph and St. Vincent de Paul.

The Cavalier fall sports teams found much success on the court, field, and course but it was their success in the classroom that earned them OSAA academic honors. The OSAA Academic All-State program recognizes outstanding achievement in the classroom. The boys and girls team in each OSAA-sanctioned activity with the

highest team grade point average (G.P.A.) earns the Academic All-State Award. Members of top ten schools in each activity at each classification are also recognized with a commemorative bag tag. Teams that earn a 3.0 GPA or higher receive 25 points for their school in The Oregonian Cup standings.

All the Blanchet Catholic School fall sports teams earned a 3.0 GPA or higher. Below is a list of teams' GPA and how they finished in the OSAA 3A classification:

Football - 1st Place with 3.60 GPA
 Volleyball - 3rd Place with 3.79 GPA
 Boys Soccer - 7th Place with 3.56 GPA
 Girls Soccer - 9th Place with 3.58 GPA
 Girls Cross Country - 3.75 GPA
 Boys Cross Country - 3.21 GPA

For their efforts on the court, field, and course, a number of student-athletes were recognized with All-Conference and All-State honors. Below is the list of those honored:

1st Team All-Conference

Ben Bartch - Football (LB)
 Nate Cantonwine - Football (WR & DB)

Emily Collier - Girls Soccer
 Anna Duncan - Cross Country
 Nikki Halfman - Volleyball
 Rachel Howard - Volleyball
 Charles Marik - Boys Soccer
 Alex McArthur - Football (OL & DL)
 Nick Orlandini - Football (RB & DB)
 Annie Ruef - Girls Soccer
 Patrick Tuttle - Cross Country
 Katarina Veliz - Girls Soccer

2nd Team All-Conference

Brianna Anaya - Girls Soccer
 Ben Bartch - Football (TE)
 Denver Bogat - Football (RB)
 Cameron Elmore - Football (DL)
 Miranda Glennie - Girls Soccer
 Zach Handran - Football (LB)
 Diego Leon Patino - Boys Soccer
 Jared Myers - Football (LB)
 Hailey Ostby - Volleyball
 Tyler Pearson - Boys Soccer
 Cristobal Ramos Torres - Boys Soccer
 Drew Spear - Football (OL)
 Dan Whittle - Football (DL)

Honorable Mention All-Conference

Kendra Campbell - Volleyball
 Johanna Counts - Volleyball
 Lauren Elmore - Girls Soccer
 Cassie Fountain - Girls Soccer
 Sam Hoskins - Boys Soccer
 John Jablonski - Boys Soccer
 Deven Leon Patino - Boys Soccer
 Nina Nakamura - Girls Soccer
 Ko Nishinoue - Boys Soccer
 Joe Pardo - Boys Soccer
 Charles Taafe - Football (OL)
 RJ Veliz - Football (QB)

Additional Honors

Emily Collier - Special District 3 Player of the Year, 1st Team All-State, Named to Statesman Journal's All-Mid Valley Team, Named to OSAA 3A/2A/1A All-State Team (Girls Soccer)

Katarina Veliz - Named to All-Mid Valley Team (Girls Soccer)

Charles Marik - Special District 2 Player of the Year, 2nd Team All-State, Named to Statesman Journal's All-Mid Valley Team, Named to OSAA 3A/2A/1A All-State Team (Boys Soccer)

Nick Orlandini - 2nd Team All-State, OSAA 3A State Semifinal Moda Health Player of the Game (Football)

Alex McArthur - 2nd Team Defense & Offense All-State, Named to All-Mid Valley Team (Football)

Nate Cantonwine - First Team Defense All-State, Named to All-Mid Valley Team (Football)

Ben Bartch - 2nd Team All-State (Football)

Nick Orlandini - Honorable Mention All-State Defense (Football)

Welcome New Board Members

Mark Chong

Please welcome Mark Chong to
the Blanchet Board of Directors.

Mark worked in product
management, business
development and management
consulting in the healthcare

industry serving a number of organizations such
as Kaiser Permanente and Abbott Laboratories.
More recently, he has shepherded the successful
educations and careers of his four children. His
oldest, Alyse, is an anesthesiologist in Seattle. His
son, Zachary, is a mechanical engineer in Silicon
Valley, and daughter Megan does neuroscience
research at Harvard. Mark's youngest, Hannah, is
a senior at Blanchet (Class of 2016) and reminds
everyone what a "tiger dad" her father is. Sharing
the joys and challenges of family life is Mark's
wife Laura, an obstetrician-gynecologist at Salem
Clinic. Mark and Laura are active parishioners at
Queen of Peace Church and volunteer at various
community service organizations around Salem.

Mark has been a lifelong booster of Catholic
education. He is an alumni of Bellarmine College
Preparatory in San Jose, California, an all-boys
Jesuit school and the state's oldest high school.
Mark has a bachelor's from Stanford University,

a master's in public health from UCLA and an MBA
from the Kellogg Graduate School of Management at
Northwestern University. Mark has served at several
community service and club sports organizations
in Hawaii, California and Oregon over the past few
decades and is passionate about continuing and
improving upon Blanchet Catholic School's tradition
of educating intelligent, engaged service leaders.

Mark serves on the board's Catholic Identity and
Programs and Services committees.

Dr. Jeannie Ray-Timoney

Please also welcome Dr. Jeannie Ray-Timoney to
our Board. Jeannie brings twenty years of experience
in the Archdiocese of Portland as both a teacher
and principal to her new position as Director of
Accreditation, Curriculum, Assessment, and Catholic
Identity. Her field of study in Catholic Educational
Leadership focused on Catholic identity and Catholic
school program effectiveness. Jeannie is responsible
for guiding schools through the accreditation process,
advancing curriculum and assessment in our Catholic
schools, and ensuring that our schools live the mission
of Catholic education. Dr. Ray-Timoney is the first
representative from the Archdiocese to participate on
the Blanchet Board of Directors, and we are happy to
have her join us.

2014-15 DEVELOPMENT REPORT

Major School Fundraisers

Blanchet has key fundraisers during each school year to help us ensure that Blanchet remains accessible for all Mid Valley families. We are very purposeful to limit other fundraising in the school so that families and donors are not overburdened with requests for donations.

Blanchet asks parents to participate in three annual fundraisers that include our annual auction, student fundraiser and annual appeal. These activities are important to support the school's operating budget and student activities and help bridge the gap between the amount of tuition charged and the actual cost of a Blanchet education.

The results of our 2014-15 fundraising efforts (shown in the model) are made possible by our students, parents, grandparents and many donors and benefactors. We are grateful for each and every one who helps to support Blanchet Catholic School through donations of time, money and services.

Sergeant Mora (above) and first lieutenant - and Blanchet class of 2007 graduate - Lauren Katich (left) spoke about the Army ROTC program during Career Day in January.

Right: Graham Conrad is standing behind a display that he constructed titled "What Pharaohs Wore." This project was part of the study of ancient Egypt in Mrs. Ostby's class.

2014-15 Donor Recognition

This donor report lists contributions made from *July 1, 2014 through June 30, 2015*. Please notify us if we have inadvertently omitted your name.

Thank you to Our Generous Supporters
