LEFT - Brayden Hubbard enjoys the feel of sand under his toes during 6th grade Outdoor School at Camp Westwind. Each fall Mrs. Ostby and her 6th grade class spend four days exploring the camp's 508 acres of wild coastal land where they study ecology, science, math and conservation of natural resources. This was the third annual trip to Camp Westwind in what has become the most anticipated event of the sixth grade year.

FRONT COVER - Development team members Toni Nanneman, Chris Lieder and Dawn Hemstreet pose with this beautifully restored 1926 Model T owned by Don and Joanne Blaine. Joanne is the President of the Willamette Valley Model T Club. The couple were pleased to loan their prized car to Blanchet's annual auction in October. The Model T was parked at the school's entrance and added authenticity and style to the Roaring Twenties theme of the event!

FROM THE PRESIDENT

Dear Blanchet Catholic School families and friends,

Blanchet Catholic was abundantly blessed with yet another successful school year in 2013-14. The trend continues with a very positive start to the current school year, Blanchet's 20th! In this edition of our annual report, we are pleased to proudly highlight many student and school achievements of the past year.

Blanchet's 20th year will likewise be significant in our history. This current year will see us engaged in two very important processes: the formulation of our next 5 year strategic plan and our periodic accreditation review. We will be working hard to ensure that these efforts produce initiatives that will advance our mission in service of our students.

Stewardship, defined as responsibly managing resources, especially those entrusted to us by others, has been a core value at Blanchet Catholic since day one. Please be assured that we are pledged to uphold and exercise that value at all times. We recognize that the foundation for our success continues to be our shared faith, the commitment to advancing our mission, and the support of our parents, benefactors and community partners. On behalf of our students, staff and faculty, thank you for believing in Blanchet.

By Courage and Faith,

A handwritten signature in black ink, which appears to read 'Anthony Guevara'.

Anthony Guevara, President

Blanchet Catholic School is proud to announce that senior David Jablonski has been named a Commended Student in the 2015 National Merit Scholarship Program!

David excels in every subject and was named Blanchet's Science Student of the Year for 2014. He is a talented musician

and has been a valuable member of concert band and guitar ensemble. Former English teacher Eileen Virden commented, "David was my student in AP English last year. He is one of the finest students I have worked with. Always friendly, extremely inquisitive and bright. He is respectful and open to many opinions, but he always views class content through the lens of Catholic Christian ethics."

David is the 29th Blanchet student to be honored by the prestigious National Merit organization.

On October 20 and 21, sixteen French students from Avignon, France and three of their teachers visited Blanchet. Sister Daniela Weddle, who is Ms. Madison's

niece, arranged with the Salem-Keizer Vicariate for the group's two week stay in Oregon, which they called a "journey" because it was both a cultural and religious adventure. The Sisters held class discussions, and the French high school students experienced an American school day by attending classes with several Blanchet students.

Welcome

MRS. MCCONN, MR. MORDHORST

wedding. This year marks her third year of teaching.

"I decided to become a teacher because of the influence my high school English teachers had on my growth and learning. I always eagerly looked forward to going to English class and wanted to inspire the same type of excitement for the subject," says Mrs. McConn. "My hope for my students is that through reading and writing, they are better able to understand the world around them. I want them to be able to communicate effectively in writing, as well as speaking," she adds.

MRS. MCCONN ~ *English, AP English, Marketing, DECA Advisor*

Mrs. McConn is originally from Lynnwood, Washington. She and her younger brother grew up traveling, camping, and eating very good Greek food. Mrs. McConn and her husband Josh were recently married and now reside in Portland.

Mrs. McConn attended Archbishop Murphy High School in Washington, then moved to Portland to attend the University of Portland. After graduating with a Bachelor of Science degree in secondary education and English, she joined the University of Portland's Pacific Alliance for Catholic Education volunteer graduate teaching program. For two years, she worked at Sacramento's Holy Cross Academy as a teacher-volunteer. Every summer, she and the other teachers in the program traveled back to the University of Portland to work on their Masters degrees. Mrs. McConn graduated with a Masters in Education with a reading endorsement this past August, just one week prior to her

Beyond the classroom, Mrs. McConn's hobbies include reading, drinking coffee and exploring Portland and the rest of Oregon.

MR. MORDHORST ~ *Biology, AP Biology, Physics, Honors Chemistry, Mid High Math*

Mr. Mordhorst was born in Nebraska, but has lived up and down the I-5 corridor for most of his life. Currently, he and his wife Jessica live in Portland with their two year-old-daughter Vivienne Wilde.

MORDHORST & MR. RUBRECHT

Mr. Mordhorst graduated from Phoenix High School just south of Medford in 1996. He went on to complete a degree in Biology with an emphasis in Exercise and Movement Science at the University of Oregon in 2000. Following graduation, Mr. Mordhorst worked as a personal trainer. "I decided to become a teacher, because while working with adults in personal training, what I enjoyed most was teaching them about their body, how it worked and how they could prevent injury and take better care of themselves," he comments. Mr. Mordhorst completed his Masters degree in education at Portland State University and went on to teach math and science courses at Beacon Academy and International School in the Philippines and at Regis Catholic High School in Stayton.

"There is no task too big or too small that you cannot learn how to solve. Becoming a lifelong learner is what I encourage in all of my students and a philosophy that I stand by," Mr. Mordhorst says.

Mr. Mordhorst is currently attending graduate school seeking his Initial Administrator License. His hobbies include exercise and music - especially playing guitar and singing to his daughter.

MR. RUBRECHT ~ *College Counseling, Tennis Coach*

Matthew Rubrecht grew up in Roseburg Oregon, the youngest of eight children. He met his wife during college at Western Oregon University and the couple has a two-month-old baby boy.

In 2003 Mr. Rubrecht completed a Bachelor of Science degree in Education/ Sports Science from Western Oregon University following which he worked as a Recreation Specialist at the Oregon State Penitentiary and in campus security at Newberg High School. After spending four years in campus security, Mr. Rubrecht felt he wasn't able to reach the students as he wanted. "They weren't

going to listen to the guy who was taking them to the principal's office," he comments. He wanted to be in a profession where he could reach out and help students achieve their goals. School counseling seemed the perfect fit, so he went on to Lewis and Clark College to complete a Masters degree in School Counseling.

Prior to coming to Blanchet, Mr. Rubrecht held positions and internships at Tigard, Wilsonville and Newberg high schools as well as at Charles F. Tigard Elementary and Five Oaks Middle School in Beaverton.

"I really like the college and career aspect of school counseling where I have the opportunity to help students figure out where they want to go and help them achieve it. I believe every student can be successful and has the ability to learn, sometimes they just might need a push. Success is different for each of us, and we need to value what that individual believes. If you have a dream, there is a way to get there," says Mr. Rubrecht.

Outside of school, Mr. Rubrecht enjoys spending time with his family, being outdoors and coaching and playing tennis. He has been playing tennis for about ten years and enjoys helping others learn to play as well.

MARY HOLLINGER

Since opening its doors, Mary Hollinger has filled just about every possible background role in support of Blanchet Catholic School: from registering students and setting up a business system of bookkeeping, to spearheading the tuition assistance program. She served as the key administrative staff under the initial leadership of Principal Guido Caldarazzo and, over the years, has continued to lead the financial administration of the school as its Business Manager.

Beyond the demands of her position, Mary volunteers her time to substitute when a teacher is ill or has a personal emergency, she helps with special events and fund raising projects, participates in pep assemblies and assists daily with school lunches – a task that helps

her stay connected with Blanchet students.

During an October 21 all-school assembly, Mary Hollinger was honored as Blanchet's 2014 Crystal Apple nominee. She was presented with a plaque by Krina Lee of the Salem-Keizer Education Foundation and former Blanchet President Chuck Lee. The Crystal Apple Awards recognize excellence in education by honoring those making a significant impact in the lives of children. The list of past nominees includes teachers, counselors, instructional assistants, office managers and administrators - all the professionals who help make a difference in our students' lives.

Even before Blanchet Catholic School opened its doors in 1995, Mary Hollinger was playing a key role in its success. She was one of the leaders among the volunteers who carried out the background studies to develop the necessary information for establishing a school and for incorporating in 1995 as a 501(c)3 nonprofit. It was natural then, that she would become the school's very first hired employee.

There were many individuals who wrote in support of Mary Hollinger for this award, but one summed it up perfectly by saying, "Mary Hollinger has given nearly twenty years of consistent valuable service to her school. Decisions, large and small, are not reached without her participation. Students are not enrolled and maintained without her support. Families benefit from her help in all sorts of problem solving. Faculty and staff benefit from her advice about curriculum matters, insurance benefits, federal regulations and 403(b)'s. She never stops giving from her multiple gift set and is the heart and soul of a very solid and successful private middle and high school. She deserves the Crystal Apple Award for giving us Blanchet Catholic School, a marvelous enrichment to our community."

*~ Susan K. François - former Office Manager,
Blanchet Catholic School*

CARSON SWEENEY

Nominated by Mrs. Ostby, mid-high student Carson Sweeney represented Blanchet Catholic School as a Leadership Ambassador at the People to People International Program World Leadership Forum held this June in Washington, D.C. During the six-day conference, attendees interacted with members of a Congressional panel on Capitol Hill, met with White House correspondents and visited the Supreme Court to learn more about the branches of government. Evening leadership meetings were held to share insights and reflections of the day's events and experiences.

To better understand the Civil and the World Wars, field trips and discussions were held at the Lincoln Memorial, the battlefield of Gettysburg in Pennsylvania, along with the memorials for WWII, Martin Luther King, Jr., Thomas Jefferson, and the Vietnam veterans, to name a few. At the new U.S. Institute of Peace, delegates were invited to take part in an exclusive international conflict resolution program in the Global Peacebuilding Center.

Highlights of Carson's trip included: visiting with the Saudi Arabian diplomats during an "amazing embassy dinner;" private pre-opening tours of the Smithsonian National Museums of American History, Air and Space and Natural History; honoring a group of visiting veterans at Arlington National Cemetery; learning intriguing facts at the International Spy Museum; visiting the home of this program's International founder, President Dwight D. Eisenhower; and the closing Potomac River farewell cruise.

"It was an amazing experience. I really enjoyed interacting with new friends from all over the country, especially my roommates. I would

recommend this program to anyone wanting to be involved in national or international leadership," Carson says.

Note: The People to People International Program was created to inspire students to strive for world peace and understanding through hands-on global travel and virtual classroom encounters that foster independence and critical thinking about cultural interactions and global citizenship. <http://www.peopletopeople.com>

Congratulations to all of our Cavalier fall teams for their successful seasons. All five of the varsity teams represented Blanchet in the

OSAA State Championships.

The cross country team sent senior Mark Geisler and sophomore Alia Campbell to the state championship meet at Lane Community College in Eugene. Mark finished 19th out of 114 racers with a time of 17:18, and Alia finished 50th out of 92 racers with a time of 22:52.

The varsity volleyball team took second place in the PacWest Conference with an overall record of 10-11 and league record of 9-3. The team earned a spot in the first round of the 3A OSAA state championships but lost to rival Santiam Christian.

The girls varsity soccer team took down Western Mennonite in late October in the Special District 3 championships with a score of 3-1. They finished regular season play as conference champions with a record of 12-2-1 overall and 9-2-1 in league. The team advanced to the first round of state playoffs, where they lost to the Challengers of Cascade Christian.

With a win over Delphian in early November, the Blanchet boys soccer team earned the title of conference champions and advanced to the state playoffs. Blanchet beat out the Lakeview Honkers in round one (3-1) and Catlin Gable in the quarterfinal game (2-1), earning them a spot in the state semi-final game. They played hard but lost to Portland Adventist with a score of

1-2. The boys ended their outstanding season with an overall record of 13-2-3 and a district championship with a league record of 9-1-2.

The varsity football team is experiencing one of its most successful seasons ever. As of the time this magazine went to print, and following a 24 – 6 victory over Nyssa in the quarter-finals, Blanchet is set to play in the state semi-final game against Vale High School on November 22 at Hermiston High School.

Sienna Abbott and Andrew Hill were nominated by Mrs. Hettwer and Mrs. Barth and were selected to perform with the OMEA All-State Middle School Orchestra. All-State takes place in Eugene at the Hilton Conference Center and Hult Center for the Performing Arts January 16-18.

It is a great honor to be selected to play at WIBC and All-State with a nationally-renowned conductor and other advanced players.

Recognition also goes to Tegan and Theresa and to Ian Barth who were accepted into the 2015 All-NW Honor Wind Symphony! Tegan will play the French horn, Theresa the oboe and Ian the trumpet.

Congratulations to these students for their outstanding work!

Fine Arts

Theresa Thurston and Tegan Thurston auditioned for the Western International Band Clinic and were selected to perform in the top two honor bands in Seattle during the month of November. Theresa and Tegan will take part in honor band rehearsals, attend concerts from top high school and college bands

from around the nation, attend band clinics and a college fair. The event culminates with an honor band concert.

The choir showcases their talent during Blanchet's Fall Music Concert held on November 6.

Auction Report

A ROARING TWENTIES GALA

Thank you to all who attended, volunteered and supported our annual auction, “A Roaring Twenties Gala - Celebrating Blanchet Catholic School’s 20th Year!” The evening was a tremendous success with over 300 guests in attendance. We are truly blessed to have the support of so many wonderful and loyal families and friends, without whom Blanchet Catholic School could not exist.

We are proud to acknowledge our auction table sponsors this year - Hope Orthopedics (Sewell and Coen families), RootX (Raffensperger family), Seaman and Pollard families, Al’s Garden Center & Greenhouses (Reuf family), Cascade Warehouse (Cantonwine family), Condemnationjustice.com, Mark & Laura Chong; VIDA Integrative Medicine (Dacker family), Hillwood Properties (Lowell & Maureen Smith) and Salem Catholic Schools Foundation. Additionally we would like to thank those who donated to the underwriting efforts to help offset auction expenses. These donors include Salem Radiology Consultants, Travis Fromwiller, M.D., Dr. and Mrs. Kennedy and Mark and Laura Chong.

Our caterer, The Sassy Onion, provided a delicious meal served by our students, and auctioneer Steven Talbot, along with Master of Ceremonies Tom Hewitt, created a fun and engaging evening. Blanchet students Anthony and Carolyn Beyer and Laura Scriminti, along with pianist Robert Ashens, provided the evening’s entertainment. The silent auction was held in the Lee Student Center. Thanks to the generosity of Blanchet donors and sponsors, we were able to offer many wonderful items on which to bid including a Blackglama mink coat, a week at the Grande Luxxe in Mexico, a Canon EOS Rebel T5i camera, five days in Vienna, Austria and much, much more!

President Guevara and the Board of Directors determined that Blanchet’s greatest need is to fund tuition assistance and dedicated this year’s auction appeal, “Embrace the Potential,” to this effort. Funds donated to this appeal will help Blanchet students achieve their potential as educated, faith-filled and service oriented individuals. With help from a very generous benefactor who offered to match funds if we were able to raise \$50,000, the

ALA!

unique fundraising challenge called “Embrace the Potential” was started. This anonymous donor also pledged an additional \$50,000 for the next four years if we met the initial \$50,000 challenge by October 31, 2014. Not only did the Blanchet community meet this challenge, but exceeded it with a total of \$68,000 raised!

In a video played during the auction, Class of 2012 graduate Dan Smith spoke from his heart about the impact that Blanchet Catholic School had on his life. Now a junior at the University of Notre Dame, Dan acknowledges the tremendous gift Blanchet and its generous donors have given him: “... for my education and for giving me a chance to use my gifts and talents to their fullest. I would not be standing here at Notre Dame if it wasn’t for you,” he says.

If you missed this video on auction night, please take a moment to view it on our website at www.blanchetcatholicschool.com.

In all, this year’s auction raised over \$147,000 for Blanchet students and programs, exceeding our goal of \$120,000! We continue to receive donations from family and friends, local Catholic parishioners, Serra and Sacred Heart alumni and so many others who believe in Catholic education.

The annual auction would not be possible without the hard work and dedication of our outstanding volunteers. Ten committee members oversee the entire auction and manage the efforts of 98 parent and 141 student volunteers. Together these individuals donated over 820 hours of service to make the auction a success. The auction continues to be an important Blanchet tradition that brings together families, friends, students, alumni, teachers and many others in support of Salem’s only Catholic secondary school.

Many guests dressed in styles of the 1920’s, which added to the enjoyment and festivity of the evening.

2013-14 DEVELOPMENT REPORT

Major School Fundraisers

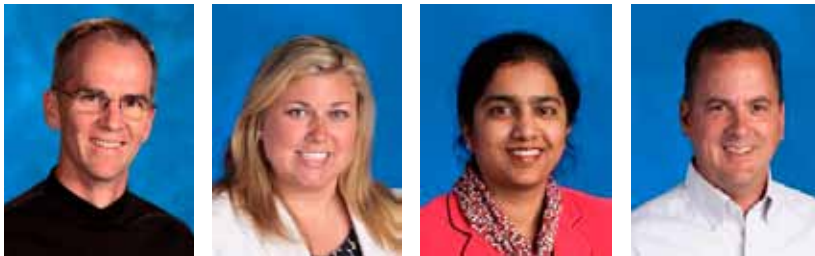

Blanchet has key fundraisers during each school year to help us ensure that Blanchet remains accessible for all Mid Valley families. We are very purposeful to limit other fundraising in the school so that families and donors are not overburdened with requests for donations.

Blanchet asks parents to participate in three annual fundraisers that include our annual auction, student fundraiser and annual appeal. These activities are important to support the school's operating budget and student activities and help bridge the gap between the amount of tuition charged and the actual cost of a Blanchet education.

The results of our 2013-14 fundraising efforts (shown in the model) are made possible by our students, parents, grandparents and many donors and benefactors. We are grateful for each and every one who helps to support Blanchet Catholic School through donations of time, money and services.

Welcome New Board Members

Blanchet Catholic School welcomes four new members to its Board of Directors. Dr. John Coen and Jennifer Paul joined the Board last April, and Krishna Namburi and Bob Hill joined this summer. Each of these individuals lends a unique skill set, life and professional experience as well as a sincere commitment to the continued improvement and advancement of the Blanchet Catholic School mission.

Dr. John Coen is an orthopedic surgeon with Salem's Hope Orthopedics. He and his wife Cathy are Blanchet parents of five – two current

students and three alums. Dr. Coen has made incredible contributions to the school's athletic program by volunteering as the school's team doctor. He has coordinated concussion safety programs, offered free physical exams for Blanchet athletes and created the school's first on-campus athletic training facility. Dr. Coen is serving on the Board's Programs and Services Committee.

Jennifer Paul is an associate of the Saalfeld Griggs Business Litigation Group. Her practice focuses on representing clients in a variety of business disputes including litigation of claims against shareholders and directors; litigation of stock valuation disputes; breach of contract claims; and enforcement of non-competition agreements. Jennifer serves on the board's Catholic Identity and Policy committees.

Krishna Namburi is the IT Director/CIO for the City of Salem. She and husband Raghu are

Blanchet parents of two. Krishna was honored last year as a Volunteer of the Year for her significant contributions to the school's technology infrastructure. Krishna helped to define the strategy for how we would implement the technology objectives for the 5 Year Plan. She accompanied staff to St. Mary's to look at best practices for iPad rollout and serves as a consultant for developing our overall technology strategy. Krishna serves on the Board's Technology Committee.

Bob Hill retired in 2012 from LCG Pence Construction where he held several prominent positions over his twenty-year tenure including vice president of finance, chief financial officer, vice president of development services and chief executive officer. He and his wife Marypat have two sons, one a current seventh grader and the other a graduate of Blanchet's Class of 2012. Bob Hill serves on the Board's Facilities Committee.

We would also like to acknowledge the immense contributions of two retiring board members - Garth Brandaw and Donna Garaventa. Garth Brandaw served as a member of the board from March 2010 to June 2014. He is principal and founder of CB|Two Architects and has been an outstanding advocate for the school. He and his team at CB|Two were honored as Blanchet's 2014 Community Partner of the Year and continue to play a significant role in the growth and improvement of Blanchet's physical plant.

Donna Garaventa served an amazing 17 years on Blanchet's Board of Directors - from July 1998 to June 2014. She and husband Jim have six children, all of whom are Blanchet graduates.

Donna Garaventa was an administrative law judge with the Oregon Workers' Compensation Board for more than 24 years. She continues to serve as a private mediator with Northwest Conflict Solutions.

Although the two will no longer hold regular board positions, they both maintain important ties to the school's governing body. Garth will now serve as a member of the Property Foundation and Donna has joined Blanchet's President's Advisory Council. We are grateful to both Donna and Garth for their contributions as board members and honored to have them continue to play an important role in the success of Blanchet Catholic.
