Who Should I Contact?

Dear Blanchet Catholic School Community,

It is an exciting time here at Blanchet as we ramp up for the new school year, watch the new STEM wing being built, see all the students in the building for camps, and get to meet all of the new faces. This fall, our sixth graders will take their first steps in the building as Cavaliers. Last year's juniors will now get to park in the front lot and walk the halls as seniors. Our former eighth grade students will embark on their journey as high schoolers. The start of the school year is full of excitement and new beginnings.

Many of the questions you may have about the coming year will be answered in this Back to School packet. We appreciate you taking the time to review this information. We look forward to starting the year with you on Tuesday, September 6, which is a half-day schedule. If you have any questions about any of the information included, please do not hesitate to email (info@blanchetcatholicschool.com) or call us at 503-391-2639.

I want to thank each of our families for trusting their child's education to Blanchet Catholic School. I know that choosing a school for your child is one of the most important jobs a parent has and, at Blanchet, we are grateful for the opportunity to play a significant role in your child's life.

The Student-Parent Handbook, which outlines important school policies and procedures, is available on our website at www.blanchetcatholicschool.com under the "Current Parents" section. Should you not have access to the internet, please contact the school office and request a hard copy.

I look forward to seeing you all back in school in September and working with each of you to make this year the best possible experience. God Bless.

By Courage & Faith,

Robin Smith

APPOINTMENTS: Please notify the attendance office at least one day prior to the appointment if your student must check out during school hours. It is a disruption to the classroom when students must be called out of class without prior notification.

This is only a morning transportation opportunity as there will not be an afternoon run of this route. A Blanchet employee will make two stops on this route beginning with St. Luke's Catholic School in Woodburn each school day. After picking up the Blanchet students at St. Luke's, the bus will stop at Sacred Heart Catholic School in Gervais to pick up students before heading to the Blanchet campus. In order to ensure that we provide a large enough vehicle for the number of students who are planning on participating in this route on a daily basis, we need families to **reserve a spot** for this route by emailing us at attendance@blanchetcatholicschool.com by August 31, 2022.

Blanchet New STEM Wing

CONSTRUCTION ON CAMPUS

Construction of our new STEM wing is underway. The new facility is located on the East side of campus. Construction vehicles enter campus from the Sunnyview Rd. entrance, East parking lot by the Science Center and through the main entrance. Please use caution as you enter and exit campus. The construction area is fenced and we ask that students stay away from the active construction site while on campus.

Construction of our new STEM wing began this past spring. We plan to be in the STEM wing by the start of second semester. The new state-of-the-art facility will include six classrooms/labs for use by both mid high and high school students.

The funding for this project has been generously supported by a few of Blanchet's long-time donors who see the significant value in further developing our campus facility and supporting programs related to STEM. Additional funds will be raised to furnish the new classrooms and support the programs in the new facility.

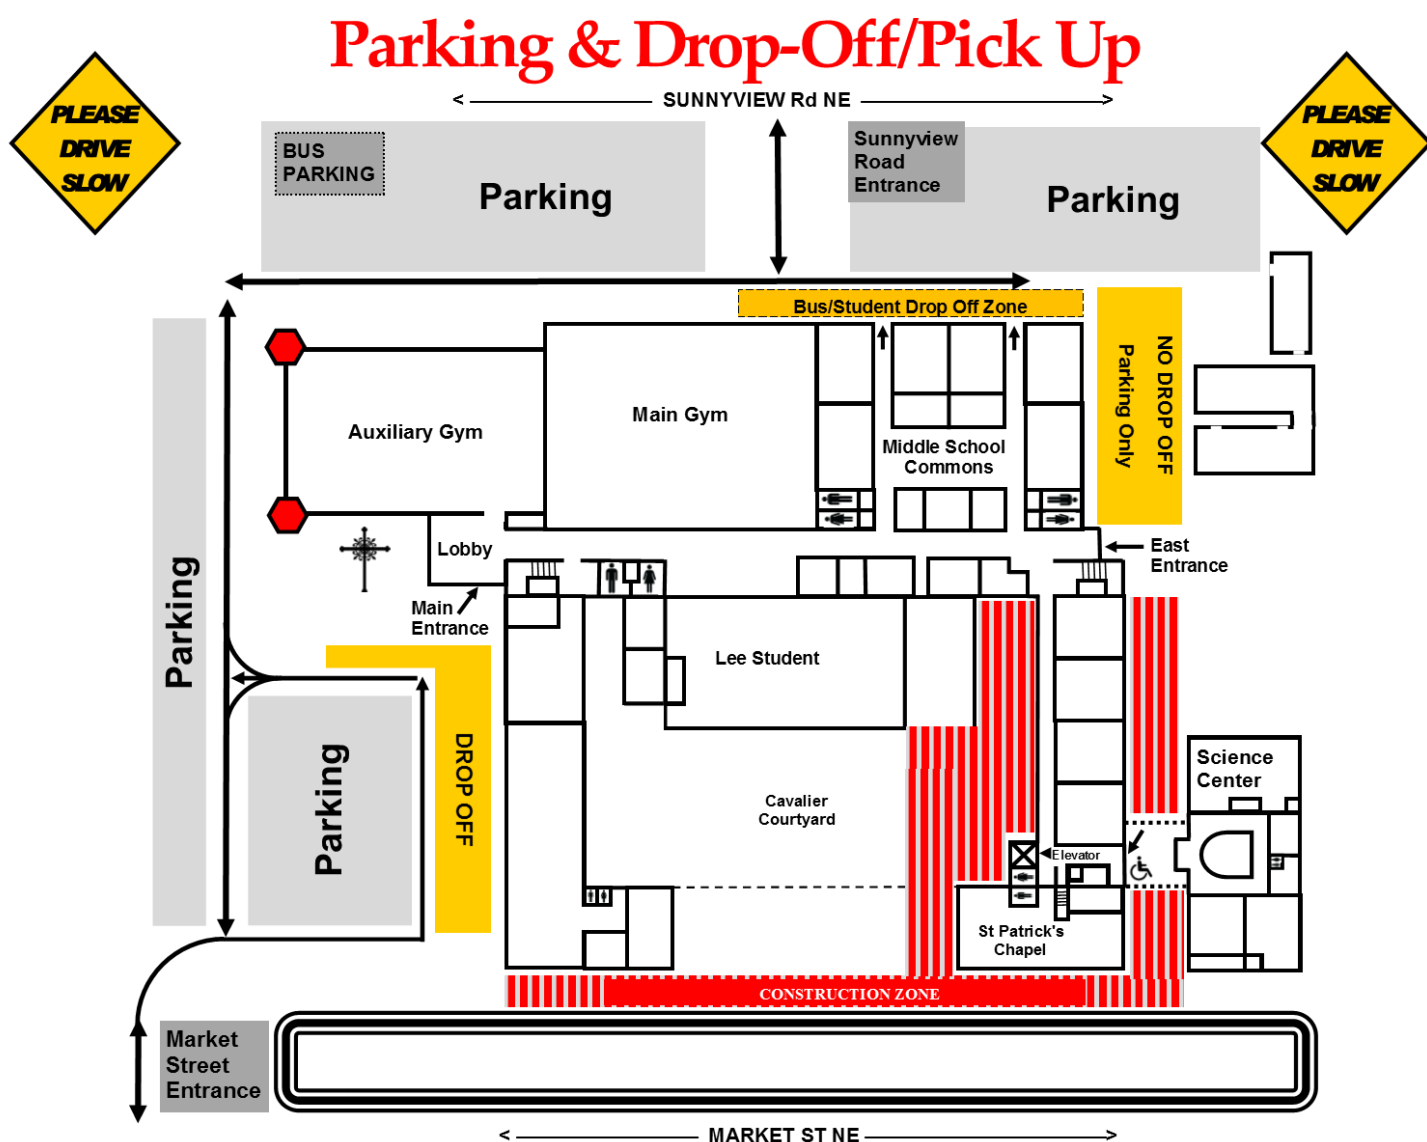

DROP OFF & PICK UP

Blanchet has two entrances on to campus—Market Street Entrance (main entrance) and Sunnyview Road Entrance (back entrance). Traffic flow on campus can get congested at times, especially in the front of the building. A couple of ways to help alleviate this problem is to:

- Pull all the way up to the curbside as close to the car in front of you.
- Have your student(s) ready to exit your vehicle.
- *Market Street Entrance:* Front car in the line can pull all the way forward until they are in front of the white cross. Waiting to drop off until you get closer to the front of the line, it should help make sure the backup doesn't extend all the way back to Market Street at our busiest times.
- *Sunnyview Rd. Entrance:* Students can enter through any of the Mid High Commons doors using their ID cards.

In addition, please make sure to drive slowly while on campus. We have students all over the campus coming and going from various activities, practices and games. We greatly appreciate your help in this matter.
