Senior Yearbook Portraits Specifications

The Yearbook Staff wants to make sure that every senior is represented in the yearbook. Seniors and parents have two options for submitting photos. Seniors may choose to use their student ID picture or have a professional photograph taken.

If you choose to have a studio portrait taken, the photo must be submitted to Toni Nanneman by April 2, 2024. Please be aware of the following specifications:

Yearbook Photo Specs:

- All photos will appear in a 2 x 3 inch vertical format in the yearbook. Please submit a size and orientation that will be suitable for this format.
- No hats or facial hair and no earrings or other visible piercings for boys.
- Dress must be modest. Tops should not be too low-cut and skirts/dresses should not be too short, and no visible piercings other than earrings for girls.
- No props.
- Color or black and white photos may be submitted
- IMPORTANT NOTE REGARDING FORMAT: Photo should be saved as a digital jpeg with a resolution of at least 300 pixels per inch. (This would mean that a 2x3 inch photo should be at least 600 pixels x 900 pixels.)
- Photos should be turned in through email. Please be sure that your email system does not compress or downsize your photos.
- Include your child's name as it should appear in the yearbook.

Please share these specifications with your photographer.
