

SCIENCE OLYMPIAD

Blanchet's Science Olympiad Team competes each year at the Oregon State Science Olympiad Tournament, which is hosted at high schools throughout the state. Team members are expected to attend several mandatory lunch meetings and one mandatory after-school preparation meeting. Students should demonstrate interest, commitment, and a willingness to prepare thoroughly for their assigned events.

Advisor: Dr. Scott Meyer

SPANISH CLUB

The Spanish Club's mission is to promote cultural awareness, appreciation, and understanding of Hispanic communities.

Advisors: Mrs. Linda Herrera and Mrs. Karen Parton Lee

SPEECH AND DEBATE

The team meets once a week after school from late October through April. Speech contests usually occur on Saturdays (all day) one or two times a month. We can be flexible on the schedule, so that students can participate in other activities.

Advisors: Ms. Shayla Brown

SPIRITUALITY TEAM

Blanchet Catholic School's Spirituality Team serves to connect with the spiritual interests of the student body. Through retreats and prayer services, senior Spirituality Team leaders provide opportunities for Blanchet Catholic students to grow in their faith. Blanchet seniors apply to be a member of this club.

STUDENT COUNCIL

The Blanchet Catholic School Student Council gives students a chance to help make decisions about our school. In addition to being a wonderful learning experience, it demonstrates to the students that they have a voice in the school and that adults value their input. The biggest value of the Student Council, however, is to provide students with a model of the democratic decision-making process.

Advisor: Mr. Mark Risen

THE CAVALIER VOICE

Blanchet's Cavalier Voice Newspaper Club is for high school students only. They strive to represent the student voices of Blanchet and have them heard. The club meets once a week during lunch with occasional after/before school meetings. There are no requirements for membership, only that you attend meetings, communicate and complete tasks on time.

Advisor: Mr. Mark Risen

WEIGHTLIFTING CLUB

The purpose of the High School Weightlifting Club is to promote physical fitness, strength, and overall wellness. The club provides students with opportunities to develop proper lifting techniques and set and achieve personal fitness goals outside our strength training class. In addition, members can participate in a powerlifting competition each year.

ART CLUB

Students will collaborate with other school departments to beautify the school.

Advisor: Mrs. Corinne Altotsky

BIBLE STUDY CLUB

Bible Study Club meets every Friday at lunch to discuss the Sunday Mass readings. This club is open to mid high students and Blanchet faculty and staff. The purpose of the club is to grow in faith and love of Jesus Christ through Sacred Scripture.

Advisor: Mrs. Jaclyn Becker

CEI

Blanchet's CEI Club (Caretakers of the Environment International) empowers high school students to learn about current environmental concerns and solutions in order to protect our planet. We lead the 6th grade Outdoor School activities and create projects to share with a global audience of CEI students and teachers at the annual global conference.

Advisor: Dr. Micki Halsey-Randall

DECA

DECA is a national organization for high school students studying marketing, management, and entrepreneurship in secondary schools. DECA is primarily a co-curricular activity where students learn to conduct marketing research projects, promotion plans, start-up businesses, and encounter realistic workplace challenges. The experience-based activities require students to use both basic and higher academic skills such as writing, math, economics, social science, communication, presentation, research, and data analysis.

ESPORTS

Esports Club is an organized and competitive arena for students to play video games and develop skills. Students will develop teamwork skills through competitions and organizational skills. Students aged +13 can sign up to compete on our team in league events. Additionally, students in 6th-12th grade can participate in our gaming after-school activity once a month.

GARDENING CLUB

Students will work together to plant, maintain, and care for our school garden while learning about flowers, vegetables, herbs, and sustainable gardening practices. Along the way, members will develop teamwork, responsibility, and an appreciation for God's creation. Whether you're an experienced gardener or have never planted a seed before, everyone is welcome!

Advisor: Mrs. Jaclyn Becker

GLAMOUR GALS

Blanchet's Glamour Gals Club is led by an all-volunteer leadership team that engages directly with senior centers, recruits new members and schedules activities in their local community. Students trade stories with seniors during visits. This helps increase our volunteers' emotional intelligence, and understand the humanity and beauty in others.

Advisor: Mrs. Toni Nanneman

HOSA

HOSA is a global student-led organization. The mission is to empower students to become leaders in the global health community through education, collaboration, and experience. HOSA actively promotes career opportunities in the health industry and enhances the delivery of quality health care to all people. This club is open to all Blanchet students in grades 9 through 12.

Advisor: Mrs. Valerie Lemmon

INTERNATIONAL THESPIAN SOCIETY

Blanchet's International Thespian Society involves community outreach, school spirit, student equity, and theater events. ITS is a fun and interactive club that provides a unique bonding experience with fellow thespians.

Advisor: Ms. Avery Stanley

NATIONAL HONOR SOCIETY

As an National Honor Society member, you can get ready for whatever comes your way after high school. To help prepare you for college and your career, you'll have exclusive access to robust tools and resources: leadership development, motivation, and inspiration gained through our chapter's work and much more.

Advisor: Mr. Jim Hackly

OREGON BATTLE OF THE BOOKS

Battle of the Books brings students together to read books, demonstrate their abilities and test their knowledge of the books they have read. The mission of this club is to encourage and recognize students who enjoy reading, to broaden reading interests, to increase reading comprehension, promote academic excellence, and to promote cooperative learning and teamwork among students.

Advisor: Dr. Micki Halsey Randall

OUTDOOR CLUB

The outdoor club's mission is to grow in appreciation for all God's creations. Through service, recreation, education, and exploration, we commit to stewardship and conservation of all things wild.

Advisor: Mr. Dave Mucken

ROBOTICS

Students design and build their robots from the ground up and must program the robots for the autonomous part of the competition as well as the user-controlled portion. Students work in groups based on age and experience.
