Virtual Benefit Auction

EVENT CATALOG

The Pollard and Seaman families are proud sponsors of Blanchet Catholic School

WELCOME

Dear Supporters of Blanchet Catholic School,

Welcome to Blanchet's 2021 Virtual Benefit Auction.

As with almost everything else we have done in the past 12 months, our annual auction this year will look different than it has for the past 23 years, as we have shifted to a virtual event. We are excited to gather together to celebrate our Blanchet community and to raise funds that will allow us to continue offering the finest educational experience possible for our students.

Our event is only possible thanks to the generosity of our supporters, the tireless efforts of our development staff, and the continued contributions from our parent and alumni communities.

The focus for the "Embrace the Potential" at this year's benefit auction is tuition assistance. Each year, Blanchet's tuition assistance program makes it possible for qualified students to attain a high-quality, Catholic, college-prep education. Since the beginning of the COVID-19 pandemic, the need for tuition assistance has grown as many of our families have encountered disruptions to their employment. I believe this is the most significant item of the evening as the funds generated positively influence all aspects of our school program and have an immediate, direct impact on our school community.

Thank you for attending our benefit auction virtually. We greatly appreciate your support of this event and your continued support of Blanchet Catholic School.

By Courage & Faith,

Bob Weber, President

OUR AUCTIONEER

Brad Caldwell

Brad Caldwell joined Stokes Auction Group in the spring of 2002 in the support role of auction bid spotter. At the insistence of his close friends, Brad attended the Western College of Auctioneering. Upon graduation in 2006 from college, he was awarded the ABC's of Auctioneering Award (Attitude, Bid Calling and Conduct).

In a very short time Brad became one of Stokes Auction Group's most highly requested auctioneers with a long list of satisfied, repeat customers. Brad's desire to help charities raise money shows in his performance and interaction with the auction guests. His calm demeanor puts any auction chair at ease and his charismatic smile entices others to smile and have fun.

"Regardless whether I am the auctioneer or working the floor as a bid spotter, it's my goal to make every person in the room smile or laugh. When you are having a good time, it's easy to support the cause," he says.

Away from the auction world, Brad has a variety of interests. He can be found enjoying the great Northwest outdoors: snowboarding, camping, boating, riding ATV's or other outdoor adventures.

- Bidding opens at 12 noon on Monday, March 8.
- Bidding closes for silent auction items at 8:00 p.m. on Saturday, March 13.

 - The Embrace the Potential appeal will be between groups 2 and 3.
- You must be registered to bid at blanchet.ggo.bid to participate in the live auction online bidding. **Register at blanchet.ggo.bid.**
- We recommend that you have two devices for the live event: One device (laptop, computer, SmartTV) to view the live event and another device (smartphone, tablet) to bid.

WHERE DO I WATCH THE LIVE VIRTUAL AUCTION EVENT?

Blanchet's Live Virtual Auction will be livestreamed on Vimeo beginning at 5:30 p.m. on Saturday, March 13, 2021. The Live Auction portion of the event will begin at 6:00 p.m. Once you've registered, you will get an email with the link on the date of the event.

<https://vimeo.com/506181393>

You can also see the livestream show on our event page at blanchet.ggo.bid.

WHAT DEVICES DO I NEED FOR THE LIVE VIRTUAL AUCTION?

To fully participate in the Virtual Live auction, you will need at least two internet connected devices from this list and an internet browser (we suggest Google Chrome):

1. A desktop, laptop computer, Smart TV to view the live stream
2. A tablet or a smartphone to bid on items

Why two devices?

The best way to easily participate is to watch the event on one device while bidding from another. This way one device is devoted to a single task, and you won't have to switch screens and accidentally lose the livestream or the ability to bid. Since the auction software uses text messages to communicate, we suggest using your computer, table or smart TV for watching the event and a phone or tablet as the bidding device.

WHAT IF I DON'T WANT TO BID ON MY PHONE?

If you are unable to bid using your phone, you can call 503-400-1933 to talk to a person and have your bid placed manually.
